PA VETConnect is an exciting Regional Outreach Program by the Department of Military and Veterans Affairs (DMVA), Bureau of Veterans Outreach. A pathway to a better means of serving Pennsylvania's 640,000 veterans, the objectives of PA VETConnect are simple: determine the needs of veterans and their beneficiaries, find resources that meet those needs, and connect veterans with those resources. Additionally, PA VETConnect will assist service members with reintegration into Pennsylvania communities following their military service.

Through PA VETConnect, veterans and veteran advocates have access to the commonwealth's premier statewide network, PA Navigate (www.panavigate.org). PA VETConnect staff use this statewide network, and their own internal information and referral database to connect veterans in Pennsylvania with the health and social care services they need.

Regional outreach staff live and work in each of the five regions as our “Boots on the Ground” individuals who provide and coordinate outreach throughout the region, establish and maintain working relationships with community leaders and local/regional organizations, Veteran Service Organizations, local/county/state government agencies, and other community partners to gather information, and to identify resources to facilitate the delivery of services to veterans, service members and their beneficiaries.

All registrants' information will be shared with other Commonwealth of Pennsylvania agencies in order to facilitate local connections. MILITARY AWARDS FOR VALOR

America has a time-honored tradition of recognizing the acts of valor performed by Soldiers, Sailors, Marines, Airmen, Guardians and Coast Guardsmen. The lists included at <http://valor.defense.gov>. Share in this tradition and honor those individuals awarded our nation's most prestigious valor awards.

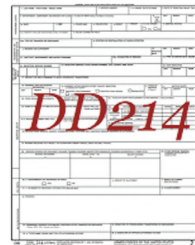

DD FORM 214 PROGRAM & RECORDS REQUEST PROGRAM

Documents so important as these should be kept in a safe place. We highly recommend that veterans record their discharges/DD Form 214s (DD-214s) with their County Courthouse so they are able to obtain free certified copies for the remainder of their life and so they are available to next of kin upon their death. The DD-214 provides the member and the service with a concise record of a period of service with the Armed Forces at the time of the member's separation, discharge or change in military status. In addition, the form is an authoritative source of information for both governmental agencies and the Armed Forces for purposes of employment, benefit and reenlistment data. If you do not currently have a copy of your Certificate of Release or Discharge, DD-214, now is the time to obtain it before you need it.

PENNSYLVANIA NATIONAL GUARD RECORDS

Pennsylvania Army and Air National Guard maintain a state file of service after 1985. Information from these state files varies but should include records of enlistment, discharge and other administrative actions. The veteran or next of kin of a deceased veteran can obtain copies of available information by providing a Record Request Form, mailed to:

PA Dept. of Military and Veterans Affairs
Attention: Guard Retirement
Services (Insert ARMY or AIR)
Bldg. 14-99, Fort Indiantown Gap
Anncville, PA 17003-5002

Questions about Pennsylvania AIR National Guard records requests can be directed to (717) 861-8910, option 2.
