#### About Pennsylvania Creative Industries

In 2025, our Council adopted a new strategic plan with the **mission** to empower, connect, and amplify creatives and creative industries and their contributions to Pennsylvania's communities, economy, and workforce. Our **vision** is that Pennsylvania becomes the national leader among states for creative communities, talent, and industries.

Pennsylvania Creative Industries is the new flagship brand of the Pennsylvania Council on the Arts, a state agency. With this name, the Council aims to elevate the creative sector's visibility, engage broader audiences, foster collaboration across disciplines, and underscore creativity's vital role in innovation, economic growth, and community vitality.
