## Section 1 – Pennsylvania Correctional Industries (PCI) Organization

### A. Mission Statement<sup>1</sup>

To maximize inmate employment while providing valuable vocational training and work experience in order to reduce inmate idleness while incarcerated, to aid inmate reentry upon release, and to reduce recidivism after return to society. To remain financially self-sufficient through the production and sale of quality products and services.

### B. PCI Director

The **PCI** Director reports to the Deputy Secretary for Administration. They are directly responsible for the overall operation of **PCI** and, among other things, supervise the general administration of manufacturing operations, control the expenditures of manufacturing fund, and supervise **PCI's** central office and field staff.<sup>2</sup> The **PCI** Director also supervises existing industries, establishes new industry operations, and is responsible for developing pricing schedules, sales programs, and inventory programs at the plant level.

### C. PCI Assistant Director

The **PCI** Assistant Director reports to the **PCI** Director. **They manage** the Operations Division of **PCI**. The **PCI** Assistant Director, among other things, is responsible for planning, production, quality control, and inventory control of all **PCI** operations.

### D. Operations Division

The Operations Division is responsible for planning, production, quality control, and inventory control of all **PCI** operations.<sup>3</sup> The Division develops and implements written operational plans and updates them as necessary. The Division's operational plans **shall** address the efficient and effective operational management of industries programs and **shall** ensure that all required safety and environmental standards are met.<sup>4</sup>

### E. Sales and Marketing Division

The Sales and Marketing Division is composed of customer service and marketing staff who contact current and potential customers who meet the guidelines established under Pennsylvania law.<sup>5</sup> Its marketing representatives work to determine customer product needs. Division staff also periodically consult with private and public sector labor, business, and industrial organization peers to develop products, services, and related job skills that are relevant to current employment markets.<sup>6</sup> The Division is responsible for new product development and shall accomplish this through a variety of research methods including field

## E. Training

1. Staff development and training shall be planned, coordinated, and implemented by the assigned Training Coordinator based on a needs assessment conducted by the assigned Training Coordinator.<sup>17</sup>
2. Staff shall receive a formal orientation appropriate to their assignment, and additional training shall be provided as needed. An orientation form shall be signed by the staff member and kept in **their** personnel file. All training shall be done in accordance with Department policy 5.1.1, “**Training and Staff Development.**”.<sup>18</sup>

## F. Fiscal Management

1. The Financial Operations Manager shall ensure that all **PCI** operations shall comply with generally accepted accounting practices. (An accounting system for each operation unit is designed, implemented, and maintained in accordance with generally accepted accounting practices.)<sup>19</sup>
2. The **PCI** Director shall establish the fiscal plan for **PCI**. Annual revenue and expense projections shall be developed by the Financial Operations Manager, and **shall** include data regarding the individual operating units.<sup>20</sup>
3. The **PCI** Assistant Director shall be responsible for managing the Asset Management Program.<sup>21</sup>
4. The **PCI** Director shall ensure that an independent financial audit is conducted annually, or at a time stipulated by applicable statute, not to exceed three years.<sup>22</sup>
5. The Financial Operations Manager shall produce monthly financial reports. These reports shall include, at a minimum, the income statement for each operating unit and an inventory report for all the operations of the facility industries. The Financial Operations Manager shall also ensure that a monthly financial report regarding **PCI**'s operations is generated. This report **shall** be available within 30 days after the close of the month it covers, and shall be distributed to the **PCI** Director, Deputy Secretary for Administration, and other **PCI** management staff.<sup>23</sup>
6. The **PCI** Director is responsible for developing prices of products and services. Pricing decisions shall be based on the costs of goods and market information. The Sales and Marketing Manager shall conduct periodic market analyses to ensure current market pricing.<sup>24</sup>

#### G. Quality Improvement<sup>26</sup>

1. The **PCI** Director shall be responsible for establishing the long-term objectives for the operation. Those objectives shall include benchmarks similar to those in operation in other **PCIs** and in the private sector and shall include a rationale for the determination of the benchmarks.<sup>27</sup> The **PCI** Director shall also ensure that a Quality Improvement Program is implemented and that it is assessed annually.<sup>28</sup>
2. **PCI** manufacturing and service plants have established Quality Control Inspections/Checks that are completed throughout their processes.
  - a. PCI Laundry has a Quality Assurance Check Sheet for each laundry station.
  - b. PCI Commissary has a Daily and Weekly Inspection Form.
  - c. PCI Manufacturing and Garment Plants utilize a travel packet and/or hard copy production order that follows each product through the various stages of production.
3. PCI **shall** ensure products which do not conform to product requirements are identified and controlled to prevent their unintended use or delivery. Records of the nonconformance and any actions taken **shall** be maintained on the travel packet/production order. The product **shall** be reviewed to determine if the product could be reworked to meet the requirements or is considered scrap.
4. PCI **shall** determine action to eliminate the causes of potential nonconformities in order to prevent their occurrence.
5. PCI **shall** conduct a management review annually or as needed to ensure the Quality Control Program remains suitable, adequate, and effective.

#### H. Products

1. The **PCI** Director shall ensure that Pass-Through Products do not comprise a majority of sales in any category of product sold by **PCI**.<sup>29</sup>
2. The **PCI** Director shall ensure that, whenever possible, inmate labor is utilized to add value to products.<sup>30</sup> Adding value through inmate labor is accomplished by, among other
