## BED / BATH / PERSONAL CARE

PCI manufactures everything needed for a restful slumber including many sizes and varieties of mattresses, sheets and pillows.

Our products further include towels and washcloths, shower curtains, privacy panels and soap products. We offer soap products for dispensing, individual bar soaps and degreaser.

If you don't see what you are looking for, please contact us for additional information.

All Pennsylvania Correctional Industries customers can get assistance from a PCI Sales Representative or Customer Service Representative. These individuals provide detailed information on more than 2500 PCI products and services and can help in selecting the best solution for your business or organization, and can assist in placing orders. If you do not know your Sales Representative information, please use our Sales contact information to the right.

## **PCI MATTRESSES**

PCI offers the following selection of mattress types, which are made to your specific sizing requirements. The next page will provide the various covers available. All mattresses (except those on the previous page) will require a price quote. Please contact your Sales and Marketing Representative or Customer Service to obtain further information and a price quote.

### **INNERSPRING STANDARD**

This 7" thick mattress has an innerspring construction made with Bonnell-style springs, 312 13 gauge coils, with 6 gauge border wire. Cushioning each side of the spring are two 3/8" insulator pads with a 1" flame retardant cotton pad sandwiched in between.

### **INNERSPRING GATCH**

Hospitals and nursing homes need innerspring mattresses with the special ability to bend at the hips and knees. These mattresses will bend accordingly.

### **INNERSPRING GATCH with FOAM TOPPER**

Identical in construction to the regular Gatch-style innerspring mattresses, these units have an extra layer of cushioning on each side for extended life. The additional layer is made of 1/2" CR Safeguard flame resistant foam.

### **INNERSPRING with FOAM TOPPER**

Identical in construction to the regular style innerspring mattresses, these units have an extra layer of cushioning on each side for extended life. The additional layer is made of 1/2" CR Safeguard flame resistant foam.

These are an exceptional choice for Universities.

### **DENSIFIED POLYESTER 8 and 12 OUNCE (See previous page for Volume 10)**

The 8-ounce densified polyester mattress is 4" thick and is available with or without a built-in pillow.

The 12-ounce densified polyester mattress is 4.5" thick and is also available with or without a built-in pillow.

### **NEOPRENE FOAM**

With its 60-month service life, this simply-constructed all-foam mattress offers a low cost, high value alternative for your bedding needs. Made of highly flame-resistant, low-smoke foam, it is specially formulated to meet the high-risk requirements of correctional and mental health facilities. Searching for contraband is made easier due to its smooth surface and box-like shape. Available in 3", 4" or 6" thicknesses.

### **SIESTA® FOAM**

Our Siesta® foam mattresses are designed for use in various settings lending this to be a versatile mattress. This is an excellent option for college dorms, state park cabins, fire stations, military barracks, and more. These are manufactured using a high-density foam that eliminates the need for springs.

Consisting of layered foam that is 5" thick, which is light enough to be easily moved and stored. Use both sides for extended service and comfort. The inner core is 2 lbs. per cubic foot minimum density FR polyurethane as per California Technical Bulletin No. 117. Firmness of Polyurethane is 40+/- 4 lbs. Securely laminated to the polyurethane with neoprene adhesive is a minimum low smoke polychloroprene compound cushioning which complies with all of the physical and flammability properties listed. This lamination completely encapsulates the polyurethane on top, bottoms and sides.

## MATTRESS COVERS

The below covers are available for all mattresses manufactured by PCI. \*Except Volume 10.  
Each cover is flame and fluid resistant.

- ◆ Chemsafe Beige, Vinyl
- ◆ Chemsafe KP Navy, Nylon
