SECURE INTERACTIVE TREATMENT TABLE

Restraints are not included.

The PCI Secure Interactive Treatment Tables comes in three models; 3, 4, and 5 seat version. Each table consists of a black power coated frame that bolts to the floor and comes with attached loop for restraints and a wooden butcher block table with grommets for hand restraints. The seats are stainless steel and include loops for leg shackles. The 5 seat version includes an attached lectern style podium.

3 Seat Model: 30" H x 42" W x 86" L, Material # 350438 - \$1,791.45*

4 Seat Model: 31" H x 42" W x 102" L, Material # 348998 - \$2,002.00*

5 Seat Model: 31" H x 70" W x 137" L, Material # 348999 - \$2,440.00*
