Veteran Business Enterprise Participation

To Whom It May Concern:

Thank you for the opportunity to provide a proposal for DGS Project DGS C-0576-0012-P1. In accordance with the Request for Proposal (RFP), we are submitting the attached information for the Veteran Business Enterprise Participation.

We have included our DGS Supplier Search results, Initial Solicitation letter with backup including read receipts, 2nd Solicitation letter with backup including read receipts and also any correspondence that we had with any Small Diverse Business Vendor.

Brendan Stanton, Inc. (BSI) is committed to utilizing Veteran Business Enterprise (VBEs) on this project. However, due to current market volatility, we are unable to make additional commitments at this time. If awarded the project, BSI will make every effort to identify and engage qualified VBE vendors where opportunities arise.

BSI has successfully partnered with numerous VBE vendors on past projects and maintains strong, positive working relationships with these firms.

Sincerely

Good afternoon Melissa,

Please accept this reply as confirmation to execute a quote on behalf of my small business for the SCI Chester Electrical Upgrades.

My firm has already won 5 state bids as an SDB on State Correctional Institutional Electrical Projects in the state of Pennsylvania (SCI Forest, SCI Pine Grove, SCI Somerset, SCI Laurel Highlands, and PSP DNA LAB Greensburg). My firm would love to partner with your team for this project and future projects within the state of Pennsylvania or connecting states.

Executive Assistant Lara Gwyn is copied on this email, as she is a member of the estimating team.

I do have the construction drawings but please send the specified generator needing the quote if you have this information readily available.
