PROJECT TITLE - Capitol Complex Central Plant - Building Renovations, Chiller System Replacement and Electrical System Upgrades

GENERAL CHANGES – CONTRACTS NO. DGS C-0948-0090 P3.3 (ONLY)

Item 1 – Small Business Reserve Program

This contract is for the SMALL BUSINESS RESERVE PROGRAM ONLY:

Project No. DGS C-0948-0090-3.3

Pursuant to Executive Order 2023-18, these listed contracts are subject to the Small Business Reserve (SBR) Program. The purpose of the SBR is to increase opportunities for Small Businesses to compete for award of Commonwealth contracts as prime contractors.

All Bidders for the listed Contracts must be a valid self-certified Small Business on Bid Opening date/time. Bidders that are NOT a self-certified Small Business as of the date/time of Bid Opening, will be rejected as non-responsive.

Prior to posting the bid tab, the Bureau of Capital Projects Planning and Procurement will verify the bidder's name, Vendor number, and Small Business validity dates against the Department's current list of self-certified Small Businesses. If they are determined to be a Small Business, their bid will be included on the bid tab. If they are not determined to be a Small Business, their bid will be on the bid tab as Rejected, non-SB.

The Small Business awarded a listed contract must self-perform at least 51% of the work for that contract.

To register as a small business, visit Get Started Doing Business with the Commonwealth at [Get Started Doing Business with the Commonwealth](#).
