# Guidance to Document GFE SDB/VBE-4

The ability or desire of a prime contractor to perform the work of a contract with its own organization does not relieve the Offeror of the responsibility to make Good Faith Efforts to meet the stated participation goal.

When seeking a Partial or Full GFE Waiver, Prime must complete all components of the GFE paperwork. Details/Evidence are important, proof is required.

Carefully review SDB and VBE submittal Instructions, specifically Section VI of SDB/VBE-1 which lists pertinent items as Fatal errors.

## Identified Items of Work Offeror Made Available to SDBs

List those items of contract work that the Offeror made available to SDBs. This includes, where appropriate, those items the Offeror identified and divided into economically feasible units to facilitate the SDB participation. For each item listed, show the anticipated percentage of the total work to be performed by SDBs. Offeror must demonstrate that enough work to meet the SDB participation goal was made available to SDBs, and the total percentage of items of work identified for SDB participation met or exceeded the SDB participation goal set for the procurement.
