- i. **COSTARS Program Election to Participate.** If the Contractor is willing to sell the awarded items/services at the same prices and/or discounts, and in accordance with the contractual terms and conditions, to COSTARS members, the Contractor should complete and return the COSTARS Program Election to Participate form which is an attachment to this ITQ. If the Contractor is asserting that it is a Department of General Services Certified Small Business, the Contractor must submit its active certification.

**F. COSTARS Reporting Requirements.** If you checked “Yes” in Step 6 when developing your qualification bid for the ITQ contract, you agreed to participate in the Commonwealth’s COSTARS program, and you are bound by the COSTARS Purchasers Provision contained within this Statement of Work. The requirement to report COSTARS sales to DGS’ COSTARS Program Office is contained in Section E of the COSTARS Purchasers Provision. By agreeing to participate in the COSTARS program, you are required to report COSTARS sales to DGS on a quarterly basis. Even if you had no COSTARS sales, you must file a report.

COSTARS sales for the ITQ contract can now be reported through the automated COSTARS sales reporting system located on the COSTARS website. Information required will be your vendor number, contract number, date of sale, customer name and the amount of the sale. It is also recommended that you record the COSTARS Member ID number. Detailed instructions appear below.

The deadline for submitting sales information is the 15th day of the month following the end of the quarter. Failure to report COSTARS sales is in breach of contract, and may result in DGS suspending your participation in the COSTARS program.

Note: This system is to be used to record sales to COSTARS members ONLY! ZERO sales for a particular quarter must also be reported.

**G. New Equipment.** Unless otherwise specified in this ITQ, all products offered by Contractors must be new or remanufactured. A 'new' product is one that will be used first by the Commonwealth after it is manufactured or produced. A 'remanufactured' product is one which: 1) has been rebuilt, using new or used parts, to a condition which meets the original manufacturer's most recent specifications for the item; 2) does not, in the opinion of the Issuing Office, differ in appearance from a new item; and 3) has the same warranty as a new item. Unless otherwise specified in this invitation for bids, used or reconditioned products are not acceptable. This clause shall not be construed to prohibit Contractors from offering products with recycled content, provided the product is new or remanufactured.

**H. Post-Submission Descriptive Literature.** The Commonwealth may, during its evaluation of the bids, require any Contractor to submit cuts, illustrations, drawings, prints, test data sheets, specification sheets and brochures which detail construction features, design, components, materials used, applicable dimensions and any other pertinent information which the Issuing Office may require in order to evaluate the product(s) offered. The required information must be submitted within two (2) business days after notification from the Issuing Office. Failure to submit the required information prior to the expiration of the second business day after notification shall result in the rejection of the bid as non-responsive.

**I. Tie Bids/Quotes.** All tie bids/quotes will be broken by the Issuing Office.

**J. Prompt Payment Discounts.** Prompt payment discounts will not be considered in making an award. If prompt payment discounts are offered by any Contractor, however, the Issuing Office will take advantage of such offer.

**REQUEST FOR QUOTES (RFQ) PROCEDURES:** Commonwealth agencies will issue a request to DGS, Bureau of Publications (DGS Publications) for the creation of the graphics required for their project. Upon review of the project request DGS Publications will determine whether they will create the project work inhouse or issue an RFQ to qualified Contractors. The RFQ will be issued through the Commonwealth's Custom Portal, powered by the JAGGAER system and Contractors will respond to the RFQ in the JAGGAER system. DGS Publications may require the qualified Contractors to furnish, upon request, additional documentation as part of the RFQ process.

DGS Publications will make a best value selection based upon the criteria set forth in the RFQ. Best Value refers to the process of selecting the quote which provides the greatest value to the agency based on evaluating and comparing all pertinent criteria, including cost, so that the Contractor whose overall proposal best suits the agency's needs is selected for each individual project. The qualified Contractors selected through the RFQ process will receive a Purchase Order (PO) and will supply the services to meet the specific project requirements as indicated in the RFQ.
