H. COSTARS Reporting Requirements. If you checked "Yes" in Step 6 when developing your qualification bid for the ITQ contract, you agreed to participate in the Commonwealth's COSTARS program, and you are bound by the COSTARS Purchasers Provision contained within this Statement of Work. The requirement to report COSTARS sales to DGS' COSTARS Program Office is contained in Section E of the COSTARS Purchasers Provision. By agreeing to participate in the COSTARS program, you are required to report COSTARS sales to DGS on a quarterly basis. Even if you had no COSTARS sales, you must file a report.

COSTARS sales for the ITQ contract can now be reported through the automated COSTARS sales reporting system located on the COSTARS website. Information required will be your vendor number, contract number, date of sale, customer name and the amount of the sale. It is also recommended that you record the COSTARS Member ID number. Detailed instructions appear below.

The deadline for submitting sales information is the 15th day of the month following the end of the quarter. Failure to report COSTARS sales is in breach of contract and may result in DGS suspending your participation in the COSTARS program.

Note: This system is to be used to record sales to COSTARS members ONLY! ZERO sales for a particular quarter must also be reported.

Agencies will exercise a scoring method based upon the criteria set forth in the RFQ. The Scoring Methods are defined as follows:

- Best Value ○ Refers to the process of selecting the quote which provides the greatest value to the agency based on evaluating and comparing all pertinent criteria,

including cost, so that the Contractor whose overall proposal best suits the agency's needs is selected for each individual project; and

- Low Cost ○Refers to the lowest cost quoted from all proposals received that are deemed both responsive and responsible for the project.

POST AWARD ADMINISTRATION: The Contractors' performance shall be monitored and evaluated in accordance with the requirements outlined in the contract and the agencies' requests for quotes. At a minimum, the contractors' performance shall be evaluated on an annual basis. Contractors may be required to attend contract performance review meetings.
