Re: DGS Project GESA 2025-2C (Consulting Service)
Department of Transportation, Pittsburgh Tunnels

The Final Scoring of the Request for Quotes for the consulting services on the above-referenced project was conducted Wednesday, January 14, 2026.

Attached for your review is a summary score sheet showing all the Offerors along with their final scores.

To the best of my knowledge, the proposals received were scored and evaluated fairly and in accordance with the guidelines set forth.

I recommend that the successful Proposer, NV5-Clean Energy, be notified. Should you have any questions or need further information, please do not hesitate to contact me.

A handwritten signature in black ink, appearing to be the initials 'BLT'.
