OLTL Procurement Updates

- Procurement Updates
 - Community HealthChoices (CHC) Request for Application (RFA)
 - On August 22, 2024, the Department of Human Services (DHS) announced the applicants selected for agreement negotiations for the CHC Program Re-Procurement
 - The CHC RFA is currently in a stay. All activity pertaining to the RFA has ceased, and no timeline can be shared at this time.
 - The CHC program will continue to operate under the current Managed Care Organizations (MCO) until further notice.
 - **All questions regarding the RFA and its contents should be directed to Procurement via the resource account RA-pwrfaquestions@pa.gov.**

PAS Staffing Update

- OLTL continues to work with all three CHC Managed Care Organizations (MCOs) to assess data gaps between PAS hours authorized/approved and what was delivered.
 - We anticipate these reports to be shared with OLTL through HHA Exchange reports or a report that OLTL will create and expect each MCO to complete.
- Enhanced PAS reporting capabilities were also discussed and pursued as part of the Direct Care Worker Network Adequacy Workgroup.
 - Workgroup findings are currently under administrative review to determine next steps.
