Introduction

Statewide Adoption and Permanency Network (SWAN)

The Statewide Adoption and Permanency Network (SWAN) works to find permanent homes for children in Pennsylvania's foster care system. The network is recognized nationally for its accomplishments in helping these children find families.

SWAN helps implement the permanency process by coordinating the work of the various professionals who help find permanent homes for children in foster care. The network is led by the Department of Human Services (DHS), and is composed of a prime contractor; county children and youth agencies; private child welfare agencies; organizations; advocates; attorneys; family courts; foster, kinship, permanent legal custodianship and adoptive parents; and others who recognize that all children need and deserve permanent loving homes.

Pennsylvania Adoption Exchange (PAE)

The Pennsylvania Adoption Exchange (PAE), established in 1979, has played a key role in the Commonwealth's adoption system for the past 41 years. PAE provides adoption matching services for children:

- Who are, legally free for 90 days and have no report of intention to adopt filed.
- For whom, termination of parental rights is being pursued.

Services provided by PAE include registering children and families in the database so electronic matching can be performed, referring potential matches to the child's and the family's agencies, and providing training for workers and families at SWAN/Independent Living (IL) quarterly meetings and conferences.

The children served by PAE often face challenges such as: a history of abuse and neglect, a history of multiple placements, drug and alcohol exposure, special education needs, emotional challenges, intellectual

disability, special medical care, physical disability or a history of runaway history. These children often face more than one of these challenges.

The data contained in this report reflects information about the children and families served by PAE from January 1, 2020 through December 31, 2020. Pennsylvania had 1,987 adoptions finalized in calendar year 2020. Of these finalizations, 974 were children registered with PAE. Not all children who are adopted require PAE's services.

Registering Children and Families

PAE accepts the registration of waiting children from Pennsylvania's county children and youth agencies and from private adoption agencies. PAE also accepts registrations from agency-approved adoptive families, regardless of the state where the adoptive family lives. This policy helps Pennsylvania meet the Adoption and Safe Family Act requirements to eliminate all geographic boundaries that may hinder permanency for a child. SWAN policy requires that all waiting families who receive family profiles paid by the prime contractor be registered with PAE to maximize the opportunity for these waiting children to find a family. Database searches for waiting children and families are also conducted regularly to maximize placement opportunities.

Referrals for Waiting Children

PAE makes referrals for potential matches for Pennsylvania's waiting children with registered families. Using demographic and behavioral characteristics, computer-suggested matches between registered children and families are forwarded to their respective agencies. Telephone and internet inquiries received from families or adoption caseworkers about specific children or families are also forwarded to the appropriate agency for potential matching considerations.

Training and Recruitment at SWAN/ Independent Living Quarterly Meetings and Conferences

PAE provides education and training to permanency professionals at SWAN/IL quarterly meetings and the Annual Pennsylvania Permanency Conference. PAE's training and recruitment initiatives include:

- Providing monthly reviews of waiting children with SWAN county contacts and quarterly reviews of all recruitment efforts with the child's county caseworker.
- Providing semi-annual on-site reviews of all children with a goal of adoption.
- Assisting agencies to develop recruitment tools such as posters and child biographies with high-quality photos.
- Assisting with computer searches for suggested matches.
- Providing children's posters for local community recruitment events.
- Contributing articles to the Pennsylvania State Resource Family Association's newsletter.
- Showcasing waiting children on the PAE website, www.adoptpakids.org.
- Facilitating television filming of waiting children on local stations.
- Facilitating matching events at the Summer and Winter SWAN/IL Statewide Meetings.
- Assisting agencies with local recruitment efforts.

Pennsylvania Adoption Information Registry (PAIR)

On October 27, 2010, Act 101, which amended the Adoption Act was signed into law. Act 101 of 2010 established the Pennsylvania Adoption Information Registry (PAIR), a statewide information registry for records and documents associated with all adoptions finalized or registered in Pennsylvania. The PAIR allows adoptees and birth parents to register information about themselves so adoptees can better understand their own past and its potential impact on their lives and the lives of their descendants. DHS developed procedures and forms for birth parents and adoptees to register with the PAIR which allows them to specify if identifying or non-identifying information may be released.

The PAIR expands the registration and search capabilities of those impacted by adoption. Siblings, if both are over 21, may register and search for each other. Descendants of deceased adoptees may register and search for medical and social information. For children under 18 years old, an adoptive parent or legal guardian may search on behalf of the adoptee. All agencies involved in adoptions finalized or registered in the Commonwealth are required to register medical and social information with the PAIR.

2020 PAIR Statistical Information (Jan. 1, 2020 - Dec. 31, 2020):

- 34 new birth families registered with PAIR.
- 27 new adoptees registered and inquired about PAIR.

- 36 birth family requests were registered with PAIR.
- 129 adoptee requests were registered with PAIR.
- 2,346 adoptees were registered by agencies with PAIR.

Resource Family Registry (RFR)

The department is required to maintain a Resource Family Registry (RFR) in which all foster, formal kinship, and adoptive parent applicants must be registered. Support for the RFR is provided by the Statewide Adoption and Permanency Network's prime contract with Diakon Lutheran Social Ministries in partnership with Family Design Resources. Families can be approved in multiple categories: a total of 14,421 applicants are currently available and approved in one or more of the following categories:

- 4,361 applied for adoption.
- 7,715 applied for foster care.
- 5,991 applied for formal kinship care.

The Office of Children, Youth and Families Bulletin #00-03-03, Kinship Care Policy, defines formal kinship care as "The full-time nurturing and protection of a child who is separated from his parents and placed in the home of a caregiver who has an existing relationship with the child and/or the child's family." The existing relationship is:

- A relative of the child through blood or marriage.
- A godparent of the child as recognized by an organized church.
- A member of the child's tribal organization.
- A significant positive relationship with the child or the child's family.

In federal fiscal year 2020, 69.89% of children adopted from the Pennsylvania foster care system were adopted by their foster/kinship family.

SWAN Helpline 1-800-585-7926 (SWAN)

The toll-free SWAN Helpline, 1-800-585-SWAN (7926), began in 1996 to respond to inquiries about adoption. Today, the SWAN Helpline is a central pathway for SWAN's

outreach efforts to families, often serving as the first point of contact for inquiring parents and potential adoptive and foster families. The SWAN Helpline averaged 390 calls per week in 2020, with higher volumes during media campaigns. Calls are fielded by a team of SWAN technical specialists. In addition to answering incoming calls, the specialists also make follow-up calls to families who have requested information about becoming a resource parent and who have requested additional support in the permanency process, provide callers with informational SWAN Family Packets, and make referrals to other agencies. They monitor the state Facebook page and make reminder and survey calls for matching events across the state.

2020 SWAN Helpline Statistical Information (Jan. 1, 2020 - Dec. 31, 2020)

- 20,293 Total Calls:
 - 8,186 Incoming Calls
 - 1,399 Outgoing Calls
- 753 SWAN Family Packets mailed to callers.
- 1,566 Referrals made to other agencies.

SWAN Connect Facilitated by PAE and SWAN Helpline

In SWAN Connect (formerly known as Pennsylvania's Seamless System), PAE and the SWAN Helpline work together with county children and youth agencies and SWAN affiliate agencies to bridge the gap between waiting children and waiting, approved adoptive families. Qualified families who would like to learn more about a waiting child can contact the SWAN Helpline and receive additional information about a child who is posted to the www.adoptpakids.org website.

PAE coordinators work directly with the child's caseworker to get additional details about the child and review that information with the family. If the family remains interested in that child, PAE then notifies the child's caseworker.

County caseworkers and SWAN affiliate agencies are also critical to the success of SWAN Connect, as they routinely update information about the availability and status of children and families. Current information is key to keep the process moving and to assure

Outreach Initiatives

that in-depth information on each child is available to approved families.

Media Campaign 2020

#MeetTheKids, the department's successful media campaign featuring youth from Pennsylvania's foster care system, continued to be a popular recruitment tool to finding foster and adoptive families for our waiting children and youth. A targeted television advertisement campaign ran in January – June 2020 and then March – May 2020 in the Pittsburgh, Philadelphia, and Harrisburg/Lancaster/Lebanon/York area markets. Online advertisements ran during the same months across the commonwealth. Radio advertisements ran during the months of March, April, and May.

In addition to the media campaign, OCYF's media contracts include subcontracts with three television stations: WHTM in Harrisburg, KDKA in Pittsburgh and WBRE in Wilkes-Barre. All three stations run waiting child segments and their reporters participate in unique child interviews that feature the interests of the child.

Website

The Pennsylvania Adoption Exchange's website (www.adoptpakids.org) was created in 1999 to assist in matching waiting children with prospective, approved adoptive families. Administered by DHS, the website helps eliminate geographic boundaries as it recruits families who live outside Pennsylvania.

The most popular feature of the website is the photo album of Pennsylvania's waiting children, which features photographs and personal stories about the children and serves as a powerful recruitment tool. The website also features:

- Information on how to become a foster parent.
- Information on how to become an adoptive parent.

- Information about the Statewide Adoption and Permanency Network.
- Information about the Pennsylvania Adoption Exchange.
- Access to a variety of forms.
- Information about Post-permanency services.
- Frequently asked questions.

The website offers links to additional services and support group organizations, including:

- Pennsylvania State Resource Family Association;

In 2020, SWAN's Facebook page had over 21,012 likes, a 5.3% increase from 2019. This method of social media accounts for 99% of visitors to our website, www.adoptpakids.org.

SWAN also hosts a YouTube page, www.youtube.com/adoptpakids, where videos of the media campaigns are housed.

Waiting Child

KDKA's Waiting Child segment began in 1982 as a child-specific recruitment tool for children in the Pittsburgh area. Rick Dayton and Mikey Tinor, news anchors with CBS affiliate

KDKA, engage and film the featured child in a chosen activity. The segments are shown in conjunction with commercials from SWAN and Wendy's®. Families interested in adoption are encouraged to contact the SWAN Helpline or visit www.adoptpakids.org.

Val's Kids

Val's Kids was established by SWAN in 2000 to recruit more central Pennsylvania families for specific waiting children, often teenagers. Children are taken to a favorite

location (mall, sports arena, a local park, etc.) and videotaped doing a fun activity. Valerie Pritchett, a news anchor/reporter for WHTM abc27, a Harrisburg affiliate, talks to the children and their caseworkers about their needs, interests, what they are looking for in a family, and how long they have been waiting for permanency. During the segment, information was provided on how to inquire about these waiting children through the website; (www.adoptpakids.org); and through the SWAN Helpline at 1-800-585-SWAN. The show airs on ABC27 Wednesdays during the 7 p.m. news and again Sundays during the 6 p.m. news.

A Little Love

On February 14, 2007, WBRE-TV 28, an NBC affiliate, aired the first segment of A Little Love in the Wilkes-Barre/Scranton area. A Little Love is the third waiting-child segment funded

through SWAN to help recruit families to adopt children in foster care and provide caseworkers with an additional recruitment tool for the children they work to serve.

A Little Love focuses on the featured children's desires and ambitions. The host, Chris Langlois, works closely with community partners and the children's caseworkers to decide on an exciting activity or event for the children to participate. Each segment provides the opportunity to take the children's desires and ambitions and turns them into a once-in-a-lifetime experience. Some activities and events chosen by the children include:

- Visiting a college campus,
- Volunteering at a local animal shelter,
- Working on cars in an auto body shop,
- Racing the clock to escape in an Escape Room,
- Spending the day at a water park, and
- Constructing the perfect ice cream sundae.

Throughout the segment, Mr. Langlois talks with the children and their caseworkers about the children's interests and what type of families they hope to become a part of. Families interested in adopting a child featured on A Little Love or who want to

learn more about adoption are encouraged to contact the SWAN Helpline at 1-800-585-SWAN. A Little Love airs once a month on Wednesdays between 4 a.m. and 7 a.m., during the 11 a.m. and 5 p.m. news.
