July 2022**

July 2022 Summary Report

Month Overview

In July 2022, DHS received the remaining ERAP1 funds requested from counties in May 2022 and completed the reallocation of those funds to Allegheny and Philadelphia counties. DHS engaged in a final outreach to counties to discuss projections of county spending compared to county balances to ensure ERAP1 funds are spent prior to the program end date of September 30, 2022. When appropriate, counties were asked to provide plans to spend down the funds.

DHS also confirmed that all counties have received and have accessed their ERAP2 allocations, which includes any additional High Needs funds.

Counties engaged with Guidehouse for training in July which supported policy and tools to increase the spend down of ERAP1 funds and additional instruction on eligibility determination tools available to counties.

Guidehouse also kicked-off the first phase of the monitoring plan by sending out questionnaires to all counties. Phase two will involve reviews of county records for program compliance. Phase two is scheduled to occur following the completion and assessment of the questionnaires.

67 Counties have spent a total of \$614,067,398 in DHS-allocated ERAP funds to provide 159,375 households who have been impacted due to or during the COVID-19 pandemic (ERAP1 and ERAP2 combined) with rental assistance and/or housing stability services.

NOTE: 1) Applications are being processed at a rate greater than the rate of applications received. Larger counties, which receive the highest number of applications, are working to fiscally balance the program through multiple funding streams. These counties maintain ERAP1 and ERAP2 funds from both PA DHS and direct federal allocations.

Counties

The following counties with the highest percentage of funds expended YTD are Erie (88.1%), Clarion (79.9%), Monroe (79.9%), Allegheny (76.7%), Crawford (74.6%)

The following counties with the lowest percentage of funds expended YTD are Cumberland (9.3%), Forest (15.3%), Chester (18.9%), Sullivan (20.8%), Juniata (24.4%).

Technical Assistance Overview

DHS offered technical assistance and training to counties in July 2022. This assistance included establishing an ERAP1 Spenddown Plan, upcoming ERAP1 Closeout Procedures, using ERAP2 funds, upcoming program monitoring process, administrative spending, and review of the recently updated federal Frequently Asked Questions. Special Assistant to the Secretary, Stephanie Meyer, joined the Office of Mental Health and Substance Abuse Services Quarterly Housing and Projects for Assistance in Transition from Homelessness (PATH) meetings, and highlighted opportunities for county and provider partners across the state to connect individuals to ERAP. Information was shared out with over 150 invitees and attendees.

External Communications

The DHS ERAP website saw 65,766 page views with an average time on page of 2:59. The DHS ERAP website is updated to inform applicants if the county is no longer accepting applications due to overwhelming demand and lack of remaining funds. The DHS ERAP website continues to be a valuable tool for Pennsylvanians who have questions regarding ERAP.

Reporting Update

DHS is dedicated to reporting the best possible data for ERAP. As new data is reported to DHS, this report will evolve to ensure new data is incorporated to create the best overall picture of where the program stands. Additionally, corrections to data previously reported from the counties have been made to reflect a more accurate view of actual spending.

Background

The Department of Human Services (DHS) is pleased to submit this report, as required by Act 2021-1, Article I-D of the Fiscal Code, 72 P.S. §103-D (a)(7.1) and (8):

Powers and duties.--The department shall have the power and duty to: prepare a monthly consolidated report with information from all counties submitted under section 104-D(4) and shall submit the report on a monthly basis to the chairperson and minority chairperson of the Appropriations Committee of the Senate and the chairperson and minority chairperson of the Appropriations Committee of the House of Representatives. The report shall also be posted and maintained on the department's publicly accessible Internet website.

The report shall include the following information:

- (i) The total amount of funds received by a county.
- (ii) The total amount of funds spent by a county for services under section 102-D(a).
- (iii) The total amount of excess funding or shortfall identified by a county as of September 20, 2022.
- (iv) The total number of households that applied for assistance.
- (v) The total number of households that received assistance.
- (vi) The total amount of funding sought by services under section 102-D(a).
- (vii) The total amount of assistance provided by services under section 102-D(a).
- (viii) An itemization of all expenditures for administrative costs.

Act 1 of 2021 authorized DHS to implement the Emergency Rental Assistance Program (ERAP1). The federal Consolidated Appropriations Act of 2021, (Pub. L. 116-260) allocated \$569,807,659.70 directly to Pennsylvania to assist those affected by COVID-19 by providing funding for certain past, current and future rental and utility expenses. Of that allocation, the Pennsylvania General Assembly appropriated \$5,698,076.60 to be used by DHS for administrative costs. Funding was allocated to all counties based on percentage of population minus any direct federal allocation per Section 102-D(c) of the Act. (See Table 2 for allocations and expended/remaining funds as of September 30, 2021). A maximum of 9.09 percent of each county's allocated ERAP1 funds June be used for the combined costs of administration and housing stability services. Eighteen counties and one city received a separate allocation directly from the United States Treasury in addition to the funding allocated to them in accordance with Act 1 of 2021.

DHS officially launched ERAP1 on March 15, 2021, though not all counties were operational on that date. All counties, however, were operational and accepting applications as of March 29, 2021. (See Table 1 for application data).

PA Act 24 of 2021 amended some ERAP1 program rules, and further gives DHS authority to administer funds allocated under the federal American Rescue Plan Act of 2021 (Pub.L.117.2) Section 3201 (b) which allocated \$500,166,870.00 to Pennsylvania. These funds are referred to as ERAP2.

The total allocation amounts used in Table 4 total ERAP2 Funds column are inclusive of the high-needs funds. Initial ERAP2 allocations were released in September 2021 with subsequent disbursements made in January and February 2022. Table 3 reflects the total number of applications under ERAP2.

Definitions

DHS uses the following definitions in this report:

- Rental Assistance - includes assistance for rent arrears, current rent, future rent, and utilities included as a part of the rent payment per the rental agreement
- Utility Assistance - includes payment for utilities, utility arrearages and future utility payments not included as a part of the rent
- Other Expenses Related to Housing – includes, but is not limited to, assistance with relocation expenses, rental fees, reasonable late fees, internet for work or home schooling (at county option).
- Housing Stability Services - services provided to coordinate the activities necessary for the client to obtain or retain housing including, but not limited to, case management and other services intended to keep households stably housed

NOTE: This report reflects emergency rental assistance as implemented with funds allocated per Act 1 of 2021 and Act 24 of 2021 and does not include expenditures of funds received by local municipalities directly from the United States Treasury.

All figures below reflect self-reported data by the county as of July 31, 2022 and may reflect the county made corrections for previous months.
