

Coronavirus Aid, Relief, and Economic Security Act (CARES Act) Funding for Office of Long-Term Living (OLTL) Nursing Facility (NF) Providers

Governor Wolf recently signed Act 24 of 2020, which allocates funding from the federal Coronavirus Aid, Relief, and Economic Security Act – also known as the CARES Act. Funding from Act 24 must be used to cover necessary COVID-19 related costs incurred between March 1, 2020 and November 30, 2020. Act 24 includes \$457,000,000 of COVID-19 relief funds for providers of Long-Term Living Programs. To qualify for the one-time payment, a person or entity must be in operation as of March 31, 2020. This funding includes the following payment to providers of NF services:

COVID-19 Vent Trach Care Payment - The total funds available for a one-time payment to Qualified Ventilator or Tracheostomy Non-Public and County NFs pursuant to Act 24 is \$8,000,000. Non-Public and County NFs qualify for the COVID-19 Vent/Trach Care Payment if, based upon the Supplemental Ventilator Care and Tracheostomy Care Payments for December 2019, the NF had: (a) ten or more Medical Assistance (MA) residents who received medically necessary ventilator care or tracheostomy care, and (b) at least 17% of the facility's MA residents received medically necessary ventilator or tracheostomy care. For each qualifying NF, the facility's number of MA residents who received necessary ventilator or tracheostomy care for the third quarter of calendar year 2019 is divided by the sum of all qualified NFs' number of MA residents who received necessary ventilator or tracheostomy care for the third quarter of calendar year 2019 to obtain a NF-specific quotient. Each NF's quotient is multiplied by \$8,000,000 to determine the NF-specific payment. The payments listed in the table below are final and will not be adjusted.

Providers enrolled in MA do not need to submit requests for the funding. MA-enrolled NFs will receive this funding, provided they meet the criteria as described above. MA-enrolled providers should expect to see the payment appear as a gross adjustment transaction/lump sum payment on a PROMISE remittance advice with payment issuance occurring nine days after the transaction appears on their remittance.

Act 24 of 2020 requires these funds to be expended by November 30, 2020 or returned to the commonwealth. Additionally, these funds must be used for COVID-19 related expenses incurred between March 1, 2020 and November 30, 2020. Providers must keep documentation to prove that these funds were used for their response to the COVID-19 pandemic in case of an audit. Any person or entity accepting a COVID-19 payment agrees to provide documentation to the Department, upon request, for purposes of determining compliance with Act 24 requirements. Instructions on expenditure reporting will be provided in the future.

Providers are advised to review guidance and frequently asked questions about eligible expenses on the U.S. Department of the Treasury website:
