

## Nursing Facility Processing of FY 2011/2012 Rate Adjustments

For the purpose of making the Fiscal Year (FY) 2011/2012 rate adjustments, Nursing Facility (NF) providers will be divided into two groups. An exceptional payment plan will be put into place for Group 2. We are processing the FY 2011/2012 Quarter 4 rate file the week of April 23, 2012. April, May, and June claims will pay at the appropriate rate therefore claim adjustments are not needed.

### Group 1

- A. All NFs that have a net positive payment for Quarters 1, 2 and 3
- B. NFs that owe less than 25% of their average monthly Medical Assistance (MA) payment

### Group 2

NFs that owe 25% or more of their average monthly MA payment will have the amount owed to the Commonwealth recovered over a four-month period; it will be equally divided over the four months. Please note that Month 4 reflects the final amount owed.
