

Nonpublic Medical Assistance Day One Incentive (MDOI) Payments For FY 2017-2018 – Payment One

A nonpublic MDOI will be calculated for each qualifying nonpublic nursing facility for a maximum of two MDOI payments for Fiscal Year 2017-2018. To qualify for a payment, the facility must be a nonpublic nursing facility during the entire Resident Day quarter used to obtain the resident days for calculating the payment, have an overall occupancy rate of at least 85% and an MA occupancy rate of at least 65%. Resident Day information must be submitted on or before the reporting due date and will not be adjusted for changes after that date.

Payments	Resident Day Quarter	Reporting Due Date
Payment One	April 1 – June 30, 2017	October 31, 2017
Payment Two	July 1 – September 30, 2017	January 31, 2018

The overall occupancy rate is calculated as the Total Resident Days for the Resident Day quarter divided by the available days (number of beds at the end of the quarter times the number of calendar days in the quarter). Calculation of the MA occupancy rate is the Total PA MA days from the Resident Day quarter divided by Total Resident Days from the Resident Day quarter.

For nursing facilities that meet the qualifying criteria, their nonpublic MDOI for each payment is calculated as the Total PA MA days for the applicable resident day quarter times the applicable MDOI per diem. The MDOI per diem varies between payments based on the total funds available for the nonpublic MDOI payment divided by the sum of the Total PA MA days for all qualifying facilities.

The total funds available for the first payment is \$8,302,200.08 and the Total PA MA days for qualifying nursing facilities is 1,984,550 which results in a nonpublic MDOI per diem amount of \$4.183416936.
