## MA Program Fee Schedule Updates for Act 62 Procedure Codes

The Department of Human Services (Department) issued Medical Assistance (MA) Bulletin 99-16-15, titled “Payment of Claims for Services Provided to Children and Adolescents for the Diagnostic Assessment and Treatment of Autism Spectrum Disorder” on August 17, 2016. The bulletin advised providers of the requirements of Act 62 of 2008 (Act 62) and issued a list of procedure codes that are subject to the MA cost avoidance process described in the bulletin.

Effective May 5, 2025, the list of procedure codes subject to the MA cost avoidance process under Act 62 was updated to reflect the following changes. That list, titled “Procedure Codes for Act 62 Covered Services”, is available on the Department’s website at: <https://www.pa.gov/agencies/dhs/resources/intellectual-disabilities-autism/autism-services/pa-autism-insurance-act-62.html>.

The procedure code description for evaluation and management (E&M) code 90837 was impacted and brought into alignment with the national procedure code description.

E&M procedure code 92586 was end-dated by the MA Program and the Centers for Medicare & Medicaid Services and the two E&M procedure codes listed below, with similar procedure code descriptions, were added to the MA Program Fee Schedule.

The MA Program Fee Schedule was also updated to reflect these changes, and is available on the Department’s website at: <https://www.pa.gov/en/agencies/dhs/resources/for-providers/ma-for-providers/ma-fee-schedule.html>.
