

# PROTECT YOUR BENEFITS

Download the free, secure **ConnectEBT** mobile app or visit [www.connectebt.com](http://www.connectebt.com)

## Always lock your card when not in use!

1. Select **Lock/Unlock Card**
2. Select your lock preference:
  - **Lock My Card Everywhere** will prevent all types of purchases, including Internet (online) and at stores
  - **Lock My Card Outside of PA** will prevent all purchases at stores outside of PA but will still allow all Internet (online) purchases
3. Click **OK**

**Done shopping?** Simply re-lock your card or use the Auto Re-Lock feature to make protecting your benefits on-the-go even easier.

The screenshot shows the ConnectEBT mobile app interface. At the top, it says 'Home' and 'LOG OUT'. Below that, it displays 'Pennsylvania EBT Card' with 'Card number ending in 6003' and 'Cardholder: CUAPDIA I TKHILL'. There are two main sections: 'SNAP' with a balance of '\$996.00' and 'CASH' with a balance of '\$0.00'. Both sections indicate 'Next Deposit: No pending deposits.' Below these are 'Transactions' and 'Pending Deposits' sections. The main part of the screen is titled 'Lock/Unlock Card' and shows 'Card Number: Card number ending in 6003' and 'Current Status: Active'. There are two radio button options: 'Lock My Card Everywhere' (selected) and 'Lock My Card Outside of PA'. At the bottom, there is a question: 'Would you like your card to re-lock automatically?' with four radio button options: 'No' (selected), 'Re-lock my card in 30 minutes', 'Re-lock my card in 60 minutes', and 'Re-lock my card in 90 minutes'. A note at the bottom states: 'Note: Re-lock times are approximate. It may take a few extra minutes to re-lock your card depending on system availability.' There are 'Cancel' and 'Submit' buttons at the very bottom.
