Adults who are healthy and able to work, and who do not live with children under 14, have a time limit on their SNAP benefits. After receiving benefits for three months, they need to show they are meeting certain work-related rules or qualify for an exemption to keep getting benefits. They can meet these rules by working at least 20 hours a week or taking part in approved training programs, or a mix of both. If this applies to you, you will receive another letter with more information.

To help us determine if you are eligible for an exemption, please complete the survey below and return it to us in the enclosed postage-paid envelope as soon as possible - preferably within 10 days:
