Multiple devices processed in the same transaction do not necessitate an evaluation unless the cost of any one device included on the invoice exceeds \$750. Independent evaluations are not required for the purchase of generators.</p> <p>The All independent evaluations must be conducted by a licensed physical therapist, occupational therapist, speech/language pathologist, or a professional certified by SHIFT as an Enabling Technology Integration Specialist (ETIS) or, or a professional certified by Rehabilitation Engineering and Assistive Technology Society of North America (RESNA) as an Assistive Technology Professional.</p> <p><i>Specify applicable (if any) limits on the amount, frequency, or duration of this service:</i></p> <p>Assistive Technology has the following limits:</p> <ul style="list-style-type: none"> • Maximum amount for this service is \$10,000 over a participant’s lifetime. An exception to this limit may be made in accordance with ODP policy. This lifetime limit includes: <ul style="list-style-type: none"> ○ A lifetime limit of \$5,000 for generators for the participant’s primary residence only. Generators for a secondary residence are not available through the Waiver. The lifetime limit on generators may not be raised using the exception process and generators for a secondary residence are not available through the waiver. While generators have a separate lifetime limit, the amount spent on a generator is included in the overall Assistive Technology lifetime limit of \$10,000. ○ Repairs, warranties, ancillary supplies, software, and equipment. ○ Independent evaluations of the participant’s assistive technology needs. 	<p>Technology are included in the lifetime limit of \$10,000.</p> <p>Changes have also been made to align coverage of generators with other ODP Waivers.</p>
