

## TIMELINE TEMPLATE

Applicants must include a detailed timeline related to their project, including benchmarks specific to goals and outcome achievements, when applicable, this includes details around the development and registration dates of a new registered apprenticeship or pre-apprenticeship. For applicable initiatives, awardees will have until one year from contract start date to finalize their registration or show progress towards the finalization of the registration. The timeline should reflect a summary of the high-level details found in the project narrative.
