Note: This report does not include federal or military claims (UCFE/UCX). May not match claim amounts reported elsewhere due to rounding.

Initial Claims include all applications for a determination of entitlement to unemployment insurance benefits. (New, Additional, & Transitional)

●**New Claims** are the first applications for a determination of entitlement to unemployment insurance benefits made by an individual in a claim year.

●**Additional Claims** are any application for unemployment insurance benefits for a new period of unemployment within a benefit year after a break in benefits of at least one week due to employment.

●**Transitional Claims** are a claim filed to request a determination of eligibility and establishment of a new benefit year having an effective date within the 7-day period immediately following the benefit year ending date and a week for which period immediately following the benefit year ending date and a week for which compensation or waiting period credit was claimed.
