<p>Additional Information</p>	<p>The Department permits importers to hold a Bedding and Upholstery registration for each factory (foreign or domestic) that manufactures bedding and upholstered items for them. However, the Department does not permit an importer to hold a single registration for importing from multiple manufacturers. Pennsylvania requires each manufacturer/factory to be separately registered with the Department, whether on their own or with a specific importer.</p> <p>The following options for registration are available for manufacturers:</p> <ol style="list-style-type: none"> 1. The manufacturer may register directly with the Department for their manufacturing facility. The manufacturer can then place this registration number on any bedding and upholstered items that are produced at the manufacturing facility. 2. An importer may hold a Bedding and Upholstery registration for each manufacturer with whom they do business. Please note that the importer is required to hold a <u>separate</u> registration for <u>each</u> manufacturer; the Department does not permit “pooling” of registrations. <p>When an importer holds the registration for the manufacturer, the Registration Certificate will show the name of both the importer and the manufacturer. The Registration number can only be placed on bedding and upholstered items that are produced at the manufacturing facility <u>for the importer ONLY</u>.</p>
