August 2012

Information contained in this bulletin....

- Vintage Registration Plates
- Antique and Classic - No Photographs

VINTAGE REGISTRATION PLATES

Act 25, signed into law on April 12, 2012, provides for a vintage registration plate to be displayed in lieu of a special antique or classic registration plate for this type of vehicle. This law is effective August 10, 2012.

A vintage registration plate is a "period issued" registration plate from 1906 to 1975 to be displayed on an antique or classic vehicle with the same corresponding year of manufacture. Vintage registration plates will not be manufactured or issued by the Department. Applicants are required to provide the vintage registration plate they wish to display on their antique or classic vehicle.

Form MV-11V, "Application to Display a Vintage Registration Plate," has been created to accommodate these requests and has an edition date of 8-12 and is available on our website at www.dmv.state.pa.us. The fee to apply to display a vintage registration plate is \$75. NOTE: This is in addition to any fees that may be due for antique or classic registration.

ANTIQUE AND CLASSIC - NO PHOTOGRAPHS

When applying for an Antique or Classic vehicle registration, photographs of the vehicle are no longer required. Form MV-11, "Application for Permanent, Antique, Classic or Collectible Registration Plate," has been revised and has an edition date of 8-12 and is available on our website at www.dmv.state.pa.us. The form now includes a certification section, which reads, "The vehicle has been maintained in or restored to a condition that is essentially the same as that which a vehicle of that particular year and model would have been in at the time it was originally manufactured and both interior and exterior are in good condition including paint, chrome, wheels and body. I understand that this vehicle must be maintained in compliance with Pennsylvania Equipment Regulations."

Please note, four color photographs are still required when applying for a Collectible Vehicle registration.
