Online processors are reminded that copies of the acceptable proof of identification credential and either the dealer registration card or summary card must be included with the work submitted to PennDOT.

NEWLY DESIGNED ANTIQUE REGISTRATION PLATES

PennDOT is proud to announce the issuance of the newly designed Antique registration plate and Antique Motorcycle registration plate.

The Antique registration plate continues to reflect the "Family of Plates" color scheme of blue, white and yellow. Pennsylvania is printed at the top of the plate and the words "Antique Vehicle" are printed at the bottom of the plate. The words, "PA ANTIQUE HISTORIC VEHICLE" have replaced the image of the red antique vehicle on the left side of the plate.

The Antique Motorcycle registration plate was updated to reflect the "Family of Plates" color scheme of blue, white and yellow. "Pennsylvania" is printed at the top of the plate. "Antique MC" is printed at the bottom of the plate.

Vehicle owners who have the old-style antique registration plates and wish to obtain the newly designed plates may request a replacement plate featuring the updated design by completing Form MV-44, "Application for Duplicate Registration Card, Replacement of Registration Plate, Renewal Sticker or Weight Class Sticker of Transfer of Registration." In Section B, the reason block "Other" must be checked and the explanation must indicate "New-style antique plate requested." The replacement fee of \$7.50 is required. Please note, owners are not required to replace their old-style plate with the new design.
