PennDOT Form Updates

Recently, PennDOT revised and created several forms to assist processors and to provide clarity to customers when requesting replacement registration plate and/or product. These changes will help streamline our process, provide clarity when a fee is due with an application and make it easier for our customers to understand the forms. These changes are effective immediately.

Form **MV-44**, “Application for Duplicate Registration Card or Replacement of Lost, Stolen or Defaced Registration Plate,” has been revised. The new edition date is 07-23 and is now available on our website at www.dmv.pa.gov. The following changes were made:

- Form was updated to remove the option of replacing illegible registration plates or never received products.
- The MV-44 will usually require a FEE when it is submitted for processing. There is no longer an option for the customer to receive a free illegible registration plate or never received product when the MV-44 is submitted. **NOTE:** The only time the fee will not be required is when the request is being made for the replacement of a lost, stolen or defaced personalized registration plate.

Form **MV-46**, “Application for Replacement of Illegible Registration Plate,” has been created. The new edition date is 07-23 and is now available on our website at www.dmv.pa.gov. Form was created provide clarity when requesting to replace an illegible registration plate. The following changes were made:

- The MV-46 may require a FEE when it is submitted. When the MV-46 is submitted for processing, the registration plate will always be replaced for the customer at no cost. **NOTE:** This form only requires a fee when a duplicate registration card is being requested
- The form has also been updated to allow for a customer to receive the same style (tag type) registration plate when replacing their illegible registration plate.
- The vehicle owner must take this form, MV-46, to any official Pennsylvania Certified Inspection Station for verification that their registration plate is illegible OR have a law enforcement official verify the need for a replacement registration plate on form MV-46.
- The vehicle owner is then responsible for signing and returning completed form to PennDOT in order to receive a replacement registration plate free of charge.

Form **MV-46I**, “Application to Replace Registration Plate” (Inspection Stations Only),” has been revised. The new edition date is 07-23. The following changes were made:

- Form was update from the previous Form MV-46 to the MV-46I. This Form will remain as a postcard and exclusively used by inspection stations.

Form **MV-50**, "Application for Replacement of Never Received Product," has been created. The new edition date is 07-23 and is now available on our website at www.dmv.pa.gov. Form was created to provide clarity on replacing never received products. The following changes were made:

- The MV-50 may or may not require a fee. Customers are entitled to a free reissuance of a product they never received if an application for a never received product is submitted within 90 days of the original issuance date.
- If a customer submits the application outside of the 90 days, the customer must submit the applicable fee for the product they are requesting along with the application.
- The cost of a replacement registration plate is \$13, and the cost of a replacement registration card is \$7.

Agents are required to ensure all their employees receive PennDOT's Driver and Vehicle Services update bulletins. This bulletin may be downloaded by visiting the Driver and Vehicle Services website at www.dmv.pa.gov.
