January 2024

Placard Domain Update

On June 27, 2022, PennDOT implemented a new service for Persons with Disability Parking placards that will allow customers with a permanent placard, the ability to renew their placard, request a replacement placard or change the address of their permanent Persons with Disability Parking placards. Customers are not able to submit a request for an initial issuance because they still need to submit the certification from their doctor.

The domain for the Persons with Disability Parking placards will be updated on January 28, 2024, for both external customers and internal processors. The new domain for external customers will be

<https://www.placard.penndot.pa.gov/PlacardWeb/public/external/placardLogin.xhtml>.

The domain for internal processors and Online Messengers will be

<https://www.placard.penndot.pa.gov>.
