BULLETIN NO. 26-09

MONTH 2026

Update: New Form, MV-600, "Road User Charge (RUC) Enrollment" and RUC Payment Plan

PennDOT sent Bulletin 26-08 on June 24, 2026, regarding the new form, MV-600 "Road User Charge (RUC) Enrollment" and updates on the RUC payment plan implementation.

Unfortunately, due to system errors that would have negatively impacted our customers, the RUC payment plan was unable to be implemented over the weekend. Since the RUC payment plan was not implemented, please disregard the process changes noted in Bulletin 26-08. These changes will not go into effect until the system updates are implemented. We anticipate the updates to occur within two weeks.

PennDOT will send another communication when the RUC payment plan is able to be implemented and will provide a new effective date for customers to enroll in a RUC payment plan or enroll/pay via a one-time (per registration period) fee at the time of application for title and registration.

Thank you in advance for your cooperation.
