TOPICS IN THIS BULLETIN: New Campaign Inspection Stickers**New Campaign Inspection Stickers are available October 1, 2023**

Between now and October 1, 2023, you should be careful not to order more inspection stickers than necessary to perform annual inspections through December 31, 2023, and semi-annual inspections through June 30, 2024. Please manage your sticker inventory to assure you have sufficient 2023-2024 inventory to last through December 2023 or until you receive your 2024-2025 stickers.

2024-2025 stickers may be used simultaneously with the 2023-2024 stickers. 2023-2024 stickers may be used for inspections on vehicles with expiry dates up to December 2023. 2024-2025 stickers are needed by November 1st for vehicles with a January 2024 expiry. Once you begin to use the new 2024-2025 stickers, a separate MV-431 or MV-480 must be started.

Sticker order volumes are extremely high in October. Please plan your inventory to allow up to 14 business days for delivery of your inspection sticker orders.

Please be aware that if your payment is made with a check returned for insufficient funds, your inspection privileges are subject to suspension in accordance with the schedule of penalties found in Section 175.51 of the Vehicle Equipment and Inspection Regulations.
