22 Report of Board Counsel - General Revisions  
23 [Ariel E. O'Malley, Esquire, Board Counsel, referred  
24 to the proposed annex for general revisions, noting  
25 that all of the changes from the prior meeting have

1 been implemented. She addressed suggestions from  
2 President Roller and referred to page 3 at subsection  
3 (b), has completed at least 3 years of practical  
4 experience in the practice of architecture in  
5 addition to the time required to complete AXP  
6 training obtained in the employ of or under the  
7 direct supervision of a registered architect for a  
8 minimum of 6 years, which is inconsistent because AXP  
9 is no longer 3 years.

10 President Roller suggested deleting "for a  
11 minimum of 6 years" and to read, "completed 3 years  
12 in addition to the Architectural Experience Program  
13 (AXP)," along with changing that in other sections of  
14 the document to make it consistent. He stated  
15 somebody would need 3 years of additional practice  
16 once the AXP is deemed to be completed.

17 Ms. O'Malley noted page 4 has a similar comment  
18 at subsection (3), for a minimum total of 9 years and  
19 asked whether they would also want to remove "for a  
20 minimum of 9 years."

21 President Roller stated it should read,  
22 "completed 6 years of practical experience in a  
23 practice in addition to the time required.

24 Ms. O'Malley referred to page 5 and noted  
25 subsection (a) and (b) are being removed. She noted

1 a typographical issue at subsection (c)(4), where  
2 President Roller suggested changing the part where it  
3 reads, prevented from continuing toward completion of  
4 the ARE until all requirements under either § 9.46(a)  
5 and (b) be adjusted to change "and" to "or."

6 Ms. O'Malley noted subsection (a) on page 7 to be  
7 a conflict with § 9.41, and President Roller noted it  
8 should read, "must complete additional practical  
9 experience beyond AXP as set forth in § 9.41" to be  
10 consistent.

11 Mr. Piligian commented that the word "employee"  
12 is misspelled on page 9, and Ms. O'Malley mentioned  
13 that the word is spelled that way in some of the  
14 regulations but would check for the spelling.

15 Ms. O'Malley noted the Board would continue the  
16 general revisions discussion later in the meeting.]

18 Miscellaneous - Appointment - American Institute of  
19 Architects (AIA) Pennsylvania Update  
20 [Stephen M. Swarney, JD, Executive Director, American  
21 Institute of Architects Pennsylvania, informed Board  
22 members that AIA is preparing for their annual  
23 convention in San Francisco next month.

24 Mr. Swarney mentioned AIA would also be hosting  
25 an AIA Tri-States Reception, where new fellows are

1 honored and dignitaries from all of the states are  
2 welcomed. He mentioned that AIA would be honoring  
3 Maureen Guttman from Pennsylvania, as well as some of  
4 the members from New York. He reported seeing Mr.  
5 Piligian's name on the list of attendees and informed  
6 him that he would be receiving an invite with details  
7 and offered to provide an invite to anyone else who  
8 is planning on attending.

9 Mr. Swarney thanked Ms. Harris for her assistance  
10 last week concerning a member issue.

11 Mr. Swarney provided an update on the interior  
12 design issue, noting there has been positive feedback  
13 from both sides and AIA have all three of their  
14 attorneys across the state reviewing language.

15 Mr. Swarney stated AIA is dealing with more  
16 legislation now that the House and Senate are both in  
17 session and also continues to build relationships  
18 with new legislators.

19 Mr. Swarney informed everyone of a federal tax  
20 credit called the Research and Development Tax Credit  
21 (R&D). He noted that AIA has been active on the  
22 state level and AIA National has taken the lead and  
23 would be providing some information to fix the tax  
24 credit impacting some members negatively.

25 Mr. Swarney announced and congratulated Amal

1 Mahrouki for being named by the *Central Penn Business*  
2 *Journal* as one of the women of influence to watch.  
3 He mentioned that she was also nominated by one of  
4 their members on the Department of General Services  
5 (DGS) Task Force for the state.

6 Amal Mahrouki, Director of Legislative Affairs,  
7 American Institute of Architects Pennsylvania,  
8 informed Board members that the AIA Pennsylvania  
9 Board and Government Affairs Committee had a targeted  
10 lobby day on April 25.

11 Ms. Mahrouki addressed discussions with  
12 legislators and staff concerning the reduction in the  
13 statute of repose from 12 years to 6 years and  
14 solidifying the adoption process for the  
15 accessibility provisions in Chapter 11 of the  
16 International Building Code (IBC) and Chapter 3 of  
17 the International Existing Building Code (IEBC) to  
18 make sure accessibility provisions are able to be  
19 adopted in a legal manner.

20 Ms. Mahrouki also noted discussions with  
21 legislators regarding the lack of mandatory  
22 continuing education in Pennsylvania and the hopes of  
23 seeing a bill introduced later in the session.

24 Ms. Mahrouki mentioned other issues left behind,  
25 including school construction funding and PlanCon

1 funding for full construction and high-performance  
2 building. She also announced another advocacy event  
3 in August that would be district-based, so members  
4 could be engaged with legislators to develop more  
5 relationships at a local level.

6 Ms. Mahrouki thanked Board members for their  
7 action on the rolling clock.

8 President Roller informed Mr. Swarney that the  
9 R&D issue has large negative tax implications for  
10 most firms and anything that could be done to promote  
11 a resolution would be greatly appreciated.

12 Mr. Swarney explained that AIA National is going  
13 to be in the lead and AIA Pennsylvania would follow  
14 their lead, noting AIA National have been aware and  
15 on top of the issue since 2017. He reassured  
16 President Roller that AIA Pennsylvania would do  
17 everything they can to contact federal  
18 representatives in Pennsylvania to inform them of  
19 wanting this changed.

20 Ms. Mahrouki informed Board members of a National  
21 Action Alert going out for anyone to weigh in on the  
22 issue and AIA Pennsylvania would be sending a letter  
23 to PA delegation.

24 Mr. Swarney encouraged everyone to respond to the  
25 National Action Alert and provide information to

1 Congress because they want to hear from constituents.

2 Mr. Piligian commented that the state of  
3 Pennsylvania has 12 when it comes to the statute of  
4 repose and New York does not have any and asked  
5 whether they were working on it.

6 Mr. Swarney stated New York is not actively  
7 pursuing that at the current time but believed the  
8 lessons learned in Pennsylvania could be used in New  
9 York.]

11 [A Formal Hearing was held from 11:07 a.m. until  
12 11:59 a.m. in the Matter of the Provisional Denial of  
13 the Application for Licensure by Reciprocity of  
14 Joseph Senchak, Case No. 22-41-016972.]

15 \*\*\*

16 [Pursuant to Section 708(a)(5) of the Sunshine Act,  
17 at 11:59 a.m. the Board entered into Executive  
18 Session with Ariel E. O'Malley, Esquire, Board  
19 Counsel, for the purpose of conducting quasi-judicial  
20 deliberations and to receive advice of counsel. The  
21 Board returned to open session at 12:12 p.m.]

22 MS. O'MALLEY:

23 In accordance with discussions in  
24 Executive Session, I believe the Board  
25 would entertain a motion to grant the

1                   Reciprocal Licensure Application of  
2                   Joseph Senchak at Case No. 22-41-  
3                   016972.

4   PRESIDENT ROLLER:

5                   Do I have a motion?

6   MR. BATES:

7                   I will so move.

8   PRESIDENT ROLLER:

9                   Do I have a second?

10   MR. JOHNS:

11                   Second.

12   PRESIDENT ROLLER:

13                   Ms. McClenaghan would you please call  
14                   the roll?

15

16                   Mr. Roller, yes; Mr. Claggett, aye; Mr.  
17                   Bates, yes; Mr. Johns, yes; Ms.

18                   McClenaghan, nay; Mr. Piligian, yes.

19   [The motion carried. Mary McClenaghan opposed the  
20   motion.]

22   Report of Board Counsel - General Revisions (cont.)

23   [Ariel E. O'Malley, Esquire, Board Counsel, referred  
24   to page 9 and 10 of the regulations but received no  
25   Board member comments.]

1 Ms. O'Malley referred to page 11, and Mr.  
2 Piligian asked how someone would verify they are not  
3 working where it reads that a registered architect  
4 unable to verify they did not practice, the  
5 registered architect shall submit a written statement  
6 in lieu of verification. He suggested the architect  
7 language should read, "submit a written statement"  
8 because there is no difference between verification  
9 and the written statement.

10 Ms. O'Malley suggested removing the last  
11 sentence, and the Board agreed.

12 Ms. O'Malley informed Board members that she  
13 would insert the general reactivation language but  
14 the Board would be able to vote to do an exposure  
15 draft.

16 Ms. O'Malley referred to page 13 and received no  
17 Board member comments.]

18 MS. O'MALLEY:

19 I believe the Board would entertain a  
20 motion to release an exposure draft of  
21 the general revisions with the noted  
22 amendments from today's meeting.

23 PRESIDENT ROLLER:

24 Do I have a motion?

25 MS. MCCLENAGHAN:

1 I'll make a motion.

2 MR. BATES:

3 I will second.

4 PRESIDENT ROLLER:

5 Would you please call the roll?

6

7 Mr. Roller, yes; Mr. Claggett, aye; Mr.

8 Bates, yes; Mr. Johns, aye; Ms.

9 McClenaghan, yes; Mr. Piligian, yes.

10 [The motion carried unanimously.]

12 [Ariel E. O'Malley, Esquire, Board Counsel, informed

13 Board members that the rolling clock annex was sent

14 out and would present any comments received at the

15 next meeting. She also mentioned that the annex and

16 preamble would be ready for the Board to send out as

17 proposed after the next meeting.]

21 Report of Board President - NCARB Annual Business

22 Meeting - June 15-17, 2023 - Tampa, FL (hybrid)

23 [Jerry K. Roller, RA, President, mentioned that the

24 Board does not have final drafts of any of the

25 resolutions. He referred to the specific change to

1 the model law but that the Board does not use model  
2 law. He noted the other housekeeping resolutions  
3 sunseting all the items.

4 President Roller addressed the board governance  
5 change draft that include nominees for a secretary-  
6 treasurer who would then move up to vice president,  
7 president, and past president. He noted it maintains  
8 six regional directors and adds two at-large  
9 directors who would be self-nominated or nominated by  
10 others. He stated the Board would vote in favor of  
11 the changes.

12 President Roller informed Board members that  
13 Kenneth Van Tine for first vice president/president  
14 elect and Ed Marley for second vice president are  
15 unopposed.

16 President Roller mentioned that Richard McNeel  
17 and John Rademacher are contested elections, noting  
18 John Rademacher is the current secretary and running  
19 for treasurer and is being opposed by Richard McNeel.  
20 He mentioned that Mr. Rademacher is from Ohio and Mr.  
21 McNeel is from Mississippi and provided feedback from  
22 George Miller, NCARB's Region 2 Director, who  
23 believed they are both knowledgeable people but would  
24 advance Mr. Rademacher, and the Board concurred.

25 President Roller noted Lenora Isom and Sylvia

1 Kwan are running for secretary. He noted Ms. Isom is  
2 from Nebraska and Ms. Kwan is from California, again  
3 noting Mr. Miller suggested the Board support Ms.  
4 Kwan, and the Board agreed.]

5

\*\*\*

6 Report of Board President - NCARB Correspondence  
7 [Jerry K. Roller, RA, President, asked whether any  
8 Board members had questions regarding the  
9 correspondence, and the Board had no comments.]

10

\*\*\*

11 Report of Board Administrator  
12 [Jessica Harris, Board Administrator, provided an  
13 update regarding the status of renewals, noting 27.81  
14 percent of architects have renewed and processed and  
15 3.8 percent are still waiting, most likely linked  
16 with sole proprietorship firms. She explained that  
17 firms and sole proprietorships must be reviewed by  
18 staff and 28.33 percent of firms have submitted with  
19 24.39 percent of sole proprietorships. She reported  
20 more than a quarter of licensees have renewed in less  
21 than 2 weeks.

22 Ms. Harris presented questions to the Board  
23 regarding NCARB's Licensing Requirements  
24 Tool concerning experience for different license  
25 types. She asked whether the Board would accept

1 candidates who pass any divisions of the Architect  
2 Registration Examination (ARE) or pass the entire ARE  
3 prior to graduation through the Integrated Path to  
4 Architectural Licensure (IPAL) program.

5 President Roller explained that the Board has  
6 been supportive of IPAL and at least approved a  
7 license from somebody who completed IPAL. He noted  
8 the individual still needs to complete their AXP, but  
9 the Board would admit somebody to take the test  
10 through an IPAL program and accept the sections  
11 someone passed.

12 Ms. Harris commented that question 13 and 14  
13 should be corrected to say the Board would accept  
14 someone if they have taken sections or all of the ARE  
15 prior to graduation and have NCARB update that on the  
16 record.

17 Ms. Harris noted question 7 is the exact opposite  
18 as what the Board was saying in the initial because  
19 it clarifies why if they are switching that answer.

20 Ms. McClenaghan referred back to question 14 and  
21 whether the jurisdiction would accept candidates who  
22 have completed the ARE prior to graduation and noted  
23 that they would not because they need the education  
24 requirement.

25 Ms. Harris stated going to an IPAL program allows

1 somebody to begin their experience and exam prior to  
2 graduation, and it is not that they do not have to  
3 complete the experience at all but would be allowed  
4 to sit for sections or all of the exam prior to  
5 graduating and would the Board take it when they  
6 apply after they met all of the requirements, where  
7 the NCARB Tool was saying the Board would not.

8       President Roller stated they would have to  
9 complete the ARE and the AXP once they graduate from  
10 the IPAL program.

11       Ms. Harris noted reading the question as, will  
12 the Board accept the sections or all of the exam if  
13 they pass them prior to graduation, not will they  
14 issue the license prior to graduation.

15       Ms. McClenaghan commented that the Board would  
16 accept the ARE but the candidate cannot get their  
17 license until after they graduate.

18       President Roller suggested Ms. Harris contact  
19 NCARB for clarification because it should be clear  
20 that the Board does not care when they take the exam  
21 under an IPAL program but does require someone to  
22 complete the exam, education, and experience prior to  
23 licensure to make sure that is what NCARB means.

24       Ms. Harris referred to question 6 regarding  
25 retroactive documentation of experience for people

1 who did not complete the AXP/Intern Development  
2 Program (IDP), where architects with 10 years of  
3 licensed practice are exempt, but the jurisdiction  
4 will accept the 5 years of licensed practice with  
5 attestation of meeting the intent of AXP.

6 President Roller explained that somebody who has  
7 10 years of experience does not have to go back for  
8 anything else.

9 Ms. Harris noted that she would eliminate that  
10 because the Board is looking for 10 years of licensed  
11 experience.

12 Ms. Harris referred to question 14, noting it is  
13 related to questions 12 and 13 and are all Mutual  
14 Recognition Agreements (MRAs) approved by NCARB,  
15 where someone is granted certification through the  
16 MRA, they have NCARB certification and apply and  
17 would be under Section 9(a) and would be accepted.  
18 She stated question 14 is saying there is 1 MRA that  
19 NCARB has approved but Pennsylvania will not accept,  
20 which is the Tri-National Mutual Recognition  
21 Agreement with Canada and Mexico.

22 Ms. Harris mentioned that there is a separate one  
23 for just Canada from 2013 that the Board accepts and  
24 the one from Australia and New Zealand they accept  
25 from 2016 but is specifically stating that

1 Pennsylvania will not accept the Tri-National MRA  
2 through NCARB.

3 Mr. Piligian suggested the Board accept NCARB's  
4 agreement to grant a certificate, and President  
5 Roller asked whether Board members are okay with all  
6 MRAs and granting an NCARB certificate.

7 Ms. McClenaghan requested Ms. Harris provide more  
8 information concerning the Tri-National Mutual  
9 Recognition Agreement, and Ms. Harris offered to  
10 reach out to NCARB for specific information  
11 concerning the Tri-National MRA.

12 President Roller requested the matter be placed  
13 on the agenda for further discussion at the July  
14 meeting.

15 Ms. Harris provided 2024 meeting dates for the  
16 Board's review and approval.]

17 PRESIDENT ROLLER:

18 Could I have a motion to approve the  
19 dates?
