

REFERENCE INFORMATION FORM CHECKLIST

A. Applicant Check List:

Please review all Reference requirements in the Board's Regulations (§37.32 for Engineers, §37.37 for Geologists and §37.48 for Surveyors).

Applicants for the **PE exams, licensure, or the FE exam (based upon work experience)** shall provide at least **five (5) references**. **Three (3)** who are **licensed Professional Engineers who can attest to the progressive work experience**, the other **two (2)** may be professional land surveyors, professional geologists or unlicensed engineers who, through education and experience, possess an equivalent level of expertise as that of a professional engineer. A reference that is not a professional engineer licensed in the United States is required to submit a curriculum vitae. **All work experience must be supported by a Reference Information Form submitted by the licensed professional engineer who supervised the work experience.**

Applicants for the **PS &/or PLS exams, licensure, or the FS exam (based upon work experience)** must provide **five (5) references**. At least **three (3)** of the references must be **licensed Professional Land Surveyors**, the other 2 may be licensed professional engineers, professional geologists or unlicensed surveyors who, through education and experience possess an equivalent level of expertise of that of a professional land surveyor. A reference who is an unlicensed surveyor is required to submit a curriculum vitae. **All work experience must be supported by a Reference Information Form submitted by the licensed professional land surveyor who supervised the work experience.**

Applicants for the **FG &/or PG exams or licensure** must provide **five (5) references, three (3)** of whom are **licensed professional geologists**, the remaining two (2) references may be professional engineers, professional land surveyors or unlicensed geologists who, through education and experience, possess an equivalent level of expertise as that of a professional geologist. A reference who is an unlicensed geologist is required to submit a curriculum vitae. **All work experience must be supported by a Reference Information Form submitted by the licensed professional geologist who supervised the work experience.**

Applicant MAY NOT be related to **any** reference. References MUST have *personal knowledge of your experience* and collectively be able to attest to the entire amount of required experience.

Attach this checklist to each Reference Form provided to your references.

Reference Information Forms submitted by the applicant with the application will be REJECTED.

- ☐ 1. Fill in your name and address at the top of the Reference Information Form.
- ☐ 2. Write in what you are applying for i.e. FE, PE, FS, PS &/or PLS, FG &/or PG Exam(s), Type of licensure (if you have already passed ALL required exams).

B. Reference Check List:

The applicant is required to furnish evidence of qualification for registration for the category checked below. You are asked to attest to the applicant's character, ability, reputation and professional skills and attainments. Be assured that the Board will hold all information strictly confidential.

- ☐ 1. Provide a response for all questions on the Reference Information Form. Forms without all questions answered (and explanations provided, as necessary) will be rejected.
- ☐ 2. Sign and date at the bottom of Page 2.
- ☐ 3. References without a professional license must attach a copy of their resume to this form before emailing.
- ☐ 4. Reference forms must come directly from the Reference. If received by the applicant, the Reference form will be deemed unacceptable.

**All Reference Information Forms must be
EMAILED directly from the Reference to:
st-engineer@pa.gov**

DO NOT RETURN THE REFERENCE INFORMATION FORM TO THE APPLICANT
