

January 1, 2025

TO WHOM IT MAY CONCERN:

This letter is in response to your letter requesting information on the requirements for licensure of physicians and other allied health professionals and how primary verification of credentials is conducted by the Board. The following is provided:

All Professions:

- Education - Form in the application must be completed by the school and sent directly from the school to the Board.
- Licensure examination - Scores must be sent directly from the examination agency to the board.
- A query of the Federation of State Medical Boards is done by the Board on all initial licensure and reactivation applications for physicians and physician assistants.

Physicians and Surgeons:

- 2 yrs graduate training (US grads) - Form in application must be completed by the hospital(s) and sent directly from the hospital to the Board.
- 2 yrs graduate training (International grads) – Form in application must be completed by the hospital(s) and sent directly from the hospital to the Board.
- ECFMG certification (International grads) - Applicant requests verification be sent directly from ECFMG to the Board.

Federation of State Medical Boards, Federation Credentials Verification Service (FCVS) - Verification of education/credentials through FCVS is accepted by the Board for physicians and physician assistants. The Federation of State Medical Boards submits FCVS profiles directly to the Board.

Sincerely,

Pennsylvania State Board of Medicine

**PENNSYLVANIA STATE BOARD OF MEDICINE
