

State Board of Examiners in Speech-Language Pathology and Audiology

On July 15, 2017, the State Board of Examiners in Speech-Language Pathology and Audiology published its General Revisions rulemaking implementing the act of July 2, 2014 (P.L. 971, No. 106) (Act 106 of 2014). The regulation:

- Updates the scopes of practice of speech-language pathology and audiology
- Eliminates all references in the regulations to teachers of the hearing impaired
- Adds credentials for provisional licenses and certificates to utilize IOM
- Adds and increases application and biennial renewal fees.

The regulation can be viewed at: <http://www.pabulletin.com/secure/data/vol47/47-28/1160.html>.

Provisional licensure applications are available at www.pals.pa.gov.

All other applications are available on this site under General Board Information and then Applications and Forms.
