

2026 ANNUAL CHARITIES REPORT

September 29, 2026

September 29, 2026

Dear Fellow Pennsylvanians:

On behalf of the Department of State, we are pleased to present the 2026 Annual Charities Report. The report provides an overview of the activities carried out by the Bureau of Corporations and Charitable Organizations, including registrations, investigations, and audits of charitable organizations. It also provides helpful information for consumers making charitable-giving decisions.

The mission of the Bureau of Corporations and Charitable Organizations is to protect Pennsylvania residents by: (1) providing public disclosure of documents filed by charities and professional fundraisers; (2) promoting consumer education about charitable giving; and (3) investigating and prosecuting complaints of reporting violations and fraudulent conduct in the solicitation of charitable funds.

Consumers and charities are encouraged to visit the Department's charities [website](#). The site offers a searchable database where consumers can confirm whether a particular charity is registered, file complaints, and view educational materials. Charities and fundraising professionals can learn about their registration and filing responsibilities, view fundraising guidelines, and access other resources. This report and previous annual reports are available on the Department's [website](#).

Thank you for your interest in the Pennsylvania Department of State and the work of its Bureau of Corporations and Charitable Organizations. If you have questions about the laws governing charities or wish to report a fraudulent or deceptive solicitation practice, please contact the bureau at 1-800-732-0999 or <https://www.dos.pa.gov/BusinessCharities/Charities/FileaComplaint/Pages/default.aspx>.

Sincerely,

Bureau of Corporations and Charitable Organizations

Introduction

The Pennsylvania Department of State is responsible for the administration and enforcement of the Solicitation of Funds for Charitable Purposes Act (the Act), 10 P.S. §162.1, et seq.

The Act requires charitable organizations to register with the Department of State before they solicit contributions in Pennsylvania (unless they are specifically excluded or exempt from registration requirements).

The Act also requires professional solicitors to register prior to soliciting on behalf of charitable organizations in Pennsylvania. Professional fundraising counsels are also required to register before providing solicitation-related services in the Commonwealth. The Act also lists prohibited conduct by persons soliciting for charitable contributions in Pennsylvania and penalties that may be assessed for violations. This annual report covers the period of July 1, 2025, to June 30, 2026, and details:

- The number of charitable organizations, professional fundraising counsels, and professional solicitors registered in Pennsylvania;
- The number of organizations ordered to cease and desist solicitation in Pennsylvania; and
- The number of charitable organizations contracting with professional solicitors and compensation paid to the professional solicitor for each campaign in relation to funds raised and administrative costs.

Basic registration and financial information for all charitable organizations registered to solicit contributions in Pennsylvania can be obtained by visiting the Bureau of Corporations and Charitable Organizations' website at www.dos.pa.gov/BusinessCharities/Charities or by calling 717-783-1720 or 1-800-732-0999, between the hours of 8:00 a.m. and 4:30 p.m. Monday through Friday.

Overview

The Bureau of Corporations and Charitable Organizations of the Department of State (Department) is responsible for carrying out the duties and responsibilities of the Secretary of the Commonwealth under the Act.

The Bureau carries out its functions related to the Act through the:

- Division of Registration and Compliance
- Investigations Unit

Division of Registration and Compliance

The Division of Registration and Compliance oversees the processes by which nonprofit corporations and charitable organizations register with the Commonwealth pursuant to the Act.

The Division of Registration and Compliance also monitors professional solicitors and professional fundraising counsels who contract with charitable organizations that solicit contributions. Professional solicitors and professional fundraising counsels are required to provide documentation relating to their activities on behalf of charitable organizations.

The Bureau of Corporations and Charitable Organizations also serves as the repository for registration information pursuant to the Institutions of Purely Public Charity Act 10 P.S. § 371, et seq.

Institutions of purely public charity are those organizations that are receiving or claiming exemption from real property and/or sales tax and are not otherwise required to register under the Institutions of Purely Public Charity Act.

Investigations Unit

The Department's Bureau of Enforcement and Investigation partners with Department attorneys to pursue those charitable organizations, professional solicitors, and professional fundraising counsels that fail to adhere to the registration requirements of the Act or that engage in fraud or other violations of the Act.

The Bureau of Enforcement and Investigation employs investigators and auditors who investigate complaints concerning violations of the Act.

Performance Highlights

Registration

During the period included in the 2025/2026 Annual Report to the General Assembly, the Division of Registration and Compliance:

- Registered 17,044 charitable organizations;
- Reviewed more than 2,862 documents filed by more than 502 professional solicitors and professional fundraising counsels;
- Registered 710 institutions of purely public charity;
- Processed funds totaling over \$3.7 million
- Responded to more than 20,933 inquiries for information.

Enforcement

The enforcement of the the Act by the Office of Chief Counsel and the Bureau of Enforcement and Investigation resulted in:

- • 38 consent agreements; Three final adjudications;
- Payment of fines in the total amount of \$163,360;
- 22 cease and desist orders; There are currently 541 orders in effect.
- Completion of 306 investigations of charitable organizations, professional solicitors, and fundraising counsels suspected of violating the Act.

Charitable Organizations

On June 30, 2026, there were 17,044 charitable organizations registered with the Department. Charitable organizations that solicit charitable contributions in Pennsylvania and are not otherwise excluded or exempt under the Act must file the following:

- (1) Annual registration statements;
- (2) IRS 990 federal informational returns; and
- (3) Financial statements; Depending on the amount of a charitable organization's annual gross contributions, their financial statements may have to be compiled, reviewed, or audited.

A charitable organization that receives annual contributions of \$750,000 or more must be audited by an independent certified public accountant or public accountant. Every charitable organization that receives annual contributions of at least \$250,000, but less than \$750,000, is required to have a review or audit of its financial statement performed by an independent certified public accountant or public accountant. Every charitable organization that receives annual contributions of at least \$100,000, but less than \$250,000, is required to have a compilation, review, or audit of its financial statement performed by an independent certified public accountant or public accountant. A compilation, audit, or review is optional for any charitable organization that receives annual contributions totaling less than \$100,000.

The Act defines "solicitation" as any direct or indirect request for a contribution on the representation that such contribution will be used in whole or in part for a charitable purpose, including, but not limited to, any of the following:

- (1) Any oral request that is made in person; or by telephone, radio, or television; or other advertising or communication media.
- (2) Any written or otherwise recorded or published request that is mailed, sent, delivered, circulated, distributed, posted in a public place, or advertised or communicated by press, telegraph, television, or any other media.
- (3) Any sale of, offer or attempt to sell any advertisement, advertising space, sponsorship, book, card, chance, coupon, device, food, magazine, merchandise, newspaper, subscription, ticket, or other service or tangible good, thing, or item of value.
- (4) Any announcement requesting the public to attend an appeal, assemblage, athletic or competitive event, carnival, circus, concert, contest, dance, entertainment, exhibition, exposition, game, lecture, meal, party, show, social gathering, or other performance or event of any kind.

A "contribution" is defined by the Act as the promise, grant, or pledge of money, credit, property, financial assistance, or other thing of any kind or value, excluding volunteer services, in response to a solicitation, including the payment or promise to pay in consideration of a performance, event, or sale of a good or service. Payment by members of an organization for membership fees, dues, fines, or assessments or for services rendered to individual members, if such fees, dues, fines, or assessments confer a bona fide right, privilege, professional standing, honor, or other direct benefit, is not deemed to be a contribution, provided that membership is not conferred solely as consideration for making a contribution in response to a solicitation. Government grants or contracts are not deemed to be a contribution.

While the Act generally requires organizations to register with the Bureau of Corporations and Charitable Organizations prior to soliciting charitable contributions, certain organizations are specifically and totally excluded from registration. For example,

bona fide religious institutions and law enforcement organizations that meet certain criteria are typically excluded from the registration requirement.

Educational institutions, hospitals, veterans' organizations, volunteer fireman organizations, ambulance associations, rescue squad associations, public nonprofit library organizations, senior citizen centers, nursing homes, and parent-teacher associations are typically exempt from the registration requirements of the Act, if they meet applicable criteria.

Charitable organizations that receive annual contributions of \$25,000 or less and do not compensate any person to conduct fundraising activities are also exempt from registration requirements under the Act. These exempt organizations are still required to comply with all other provisions, including, but not limited to, keeping true and accurate records of their fiscal activities.

Professional Solicitors

On June 30, 2026, there were 101 professional solicitors registered with the Bureau of Corporations and Charitable Organizations. Professional solicitors contract with charitable organizations to solicit direct monetary contributions and/or indirect contributions in the form of payment for goods, services, or admissions to fundraising events for a charitable purpose. Basically, solicitors raise funds on behalf of charitable organizations and are permitted to have temporary (no more than five days) custody of those funds.

Professional solicitors must file with the bureau annual registration statements and copies of their contracts with charitable organizations. In addition, they are required to secure a bond, file a solicitation notice with each contract, and, as set forth in the next section, submit campaign financial reports.

The bureau processed 189 contracts between charitable organizations and professional solicitors during the reporting year.

Campaign Financial Reports

Professional solicitors must file campaign financial reports for each solicitation campaign they conduct in Pennsylvania. These reports must be filed within 90 days of the campaign's completion or on the anniversary of any campaign lasting more than one year. Campaign reports must include contributions raised from the entire campaign, not just contributions received from within the Commonwealth of Pennsylvania. The reports must list the total contributions raised during the campaign, the campaign's total expenses, and the amount of the total contributions the charitable organization actually received. This

information for the reporting year, summarized in Appendices A and B of this report, represents 276 campaign financial reports filed on behalf of 252 charitable organizations.

Because some campaigns can be multi-year in scope, the report filed on an anniversary date during the campaign period may include funds reported on the previous year's report.

During the 2025-26 fiscal year, professional solicitors filed campaign reports reflecting total revenues of \$2,055,042,563.75 and total expenses of \$345,319,349.42. Charitable organizations contracting with solicitors received \$1,730,460,439.75, or nearly 84.21%, of the total revenue raised.

One statistical outlier of note: Total revenues for the 2025-26 fiscal year represent a 300% increase over the prior year. This was attributable to Eaton Vance Distributors Inc., which raised a reported \$1,457,768,747.36 (roughly 200% more than all other campaigns in the Commonwealth during this year), of which \$1,409,633,024.06, or 96.70%, went to the corresponding contracting charity. Removing this campaign results in a remaining revenue total of \$597,273,816.39, of which \$320,827,415.69, or 53.72%, went to the contracting charities.

Professional Fundraising Counsels

On June 30, 2026, there were 401 professional fundraising counsels registered with the Bureau of Charitable Organizations. Professional fundraising counsels are retained by charitable organizations to plan, manage, advise, or consult on campaigns, or prepare solicitation materials. Unlike professional solicitors, professional fundraising counsels do not solicit contributions or have custody of contributions.

Professional fundraising counsels must file with the bureau annual registration statements and copies of their contracts with charitable organizations. They must file these documents no less than ten working days prior to conducting solicitation campaigns or events, or providing other services to charitable organizations.

Cease and Desist Orders

The Bureau of Enforcement and Investigation and the bureau's prosecuting attorney issued 22 cease and desist orders since the last annual report, and there are 541 orders currently in effect. Generally speaking, cease and desist orders are only issued after organizations have been notified of the registration requirements and failed to cooperate with the Bureau of Corporations and Charitable Organizations by becoming registered or by providing proof of exemption or exclusion from the requirements of registration. A list of all cease and desist orders in effect is available on the bureau's website at:

<https://www.pa.gov/en/agencies/dos/alerts-and-notices/charities-enforcement-and-disciplinary-actions.html#sortCriteria=%40copapwupdate%20descending>.

Other Enforcement Actions

In addition to cease and desist orders, the Secretary of the Commonwealth may refuse to register or revoke, suspend, or place on probation the registration of any charitable organization, professional fundraising counsel, or professional solicitor for violations of the Solicitation of Funds for Charitable Purposes Act. Organizations may also face administrative fines of up to \$1,000 for each act or omission which constitutes a violation of the Act and additional penalties of up to \$100 per day for continuing violations.

These enforcement actions are taken following notice and opportunity for a hearing (adjudication and order) or by an agreement of the parties that is approved by the Secretary (consent agreement and order).

During the 2025-26 fiscal year, thirty-eight consent agreements and three final adjudications were issued.

These actions contained orders for payment of fines in the total amount of \$163,360 which were collected by the Department and sent to the Commonwealth's general fund. Copies of these orders are available on the bureau's website at:

<https://www.pa.gov/en/agencies/dos/alerts-and-notices/charities-enforcement-and-disciplinary-actions.html#sortCriteria=%40copapwupdate%20descending>.

Campaign Financial Reports for Charitable Organizations That Used Professional Solicitors (Alphabetically by Solicitor)

The following section displays campaign reports listed alphabetically by solicitor. The gross amount is the amount raised for the charity by the solicitor. Total expenses represent the solicitor's expenses. The total amount received by the charity is the balance of funds raised after the solicitor's expenses have been deducted. The percentage figure represents the percentage of funds actually received by the charity. The charity's campaign reports typically include contributions raised from the entire campaign, not just those solicited directly in Pennsylvania.

Campaign Financial Reports for Charitable Organizations That Used Professional Solicitors (Alphabetically by Charity)

The following section displays campaign reports listed alphabetically by charity. The gross amount is the amount raised for the charity by the solicitor. Total expenses represent the solicitor's expenses. The total amount received by the charity is the balance of funds raised after the solicitor's expenses have been deducted. The percentage figure represents the percentage of funds actually received by the charity. The charity's campaign reports typically include contributions raised from the entire campaign, not just those solicited directly in Pennsylvania.
