

Delete Users from Groups

1. Login to the MyPDESuite website <https://www.mypdeapps.pa.gov>
2. Click 'Security Administration'. If you do not see the Security Administration link it means that you are not a Security Administrator and thus cannot view/delete users.

You are logged in as: **betauser\pdetesterLSA**

Security Administration

What would you like to do?

- [Review Registration Requests](#): Review pending registration requests for a PDE application that you administer.
- [Add Users to an Application](#): Give a user access to a PDE Application such as PIMS, FAI, PASecureID etc.
- [View Current Users](#): View users who are currently in PDE Application roles that you administer. You may also remove users who no longer need access and export a report of all current users.

- Locate the users Application Role(s) that you would like to delete. Please note that if you need to remove the user from more than one application you must do them separately.

You are logged in as: **betauser\pdetesterLSA**
