

FID Annual Survey - Final Reminder

As per Section 1506 of the Public School Code, the Department of Education is required to issue an annual survey on the efficacy of flexible instructional days (FID) to each public school entity with an accepted application for the 2024-25 school year.

A SurveyMonkey link has been sent to the Superintendent/CEOs/Directors of all those public school entities as of April 30, 2025. To access this information, please visit the [Flexible Instruction Day \(FID\) Survey link](#). The survey must be submitted by **June 30, 2025**, *regardless of whether an FID was implemented during the 2024-25 school year*. Please check your spam or junk mail folder because some email security settings will direct SurveyMonkey surveys to these folders or in some cases, a setting can be assigned to opt-out of surveys, preventing you from submitting this required survey.

Questions or issues accessing the survey, or if you are uncertain as to whether or not the accepted applicant has already responded, should be directed to RA-FID@pa.gov.

Thank you for your participation!
