

Preparing for Cyclical Monitoring: A Focus on Secondary Transition (Indicator 13)

In response to the accountability requirements under the Individuals with Disabilities Education Act 2004 (IDEA) Part B State Performance Plans, the Pennsylvania Training and Technical Assistance Network (PaTTAN) and intermediate unit transition consultants will provide sustained professional development for targeted local educational agencies (LEAs). This targeted professional development will assist with creating compliant and effective individualized secondary transition programming for students with disabilities.

The requirements for each LEA assigned to the *2025-2026 Preparing for Cyclical Monitoring: A Focus on Secondary Transition* training are as follows:

- Develop an administrative team to support the targeted training and technical assistance process. The administrative team is required to attend the webinar, **What LEAs Need to Know About The Secondary Transition Cyclical Monitoring Schoology Course**, on September 10, 2025, from 9:00 a.m. to 11:00 a.m. Administrative team members need to register in advance for this training on the [PaTTAN Training Calendar](#).
- Assign a lead contact person to complete an interview/survey regarding effective practices for secondary transition as facilitated by an intermediate unit and/or PaTTAN consultant. The lead contact will work with IU Transition TaC/PaTTAN consultant to develop and implement a local training plan for the 2025-2026 school year.
- Identify targeted staff (i.e. special education directors, building principals, transition coordinators, special education teachers, speech/language therapists, guidance counselors, school psychologists, career tech ed staff, and other LEA staff involved in secondary programming) to participate in IEP pre-reviews using the PA Indicator 13 checklist, complete IEP post-reviews, participate in coaching activities as warranted with IU Transition TaC, and complete an online Schoology course.
- Ensure all assigned staff complete the required online Schoology course, **Preparing for Cyclical Monitoring: A Focus on Secondary Transition Planning and IEP Development**, between September 12, 2025, and February 27, 2026. PLEASE NOTE: All staff must individually register for the Schoology course using the registration key: **IND13-2025** to receive 6 Act 48 hours. Registration for the Schoology course can be found on the [PaTTAN Training Calendar](#).
