2023

Explanation of the Report

The auditor's report of Reach Cyber Charter School reviewed the management's responsibility for the financial statements of the governmental activities and the major fund of the school. The financial statements presented fairly, in all material aspects, the respective financial position of the governmental activities and the major fund of Reach as of June 30, 2023. The report is intended to serve as an introduction to the School's basic financial statements and is comprised of four components: Management's Discussion and Analysis, the basic financial statements, supplementary information and single audit requirements for the year 2022-2023. Financial highlights include: total revenues increased by $1,896,829 due primarily to increased federal revenue; at the close of the fiscal year, there was an ending fund balance of $60,671,869, a decrease of $1,757,141 from the previous year. Summary of the Reach Cyber Charter School Audit results, attached below, indicates no material weaknesses or significant deficiencies, no instance of noncompliance material to the financial statements, and no audit findings. The programs tested as major programs included the Elementary and Secondary School Emergency Relief, Assistance Listing No. 84.425 and Title I, Assistance Listing No. 84.010. The threshold for distinguishing Types A and B programs was $750,000.

Consolidated Review/Annual Report

Dear Jane Swan, I thank you and your staff for participating in the Federal Programs Consolidated Review for the 2022-23 school year. Our monitoring provides a reasonable basis for our opinion on compliance for each major federal program. However, our monitoring results do not constitute a determination of Reach Cyber CS compliance. At this time, all documents uploaded to Fedmonitor have been reviewed and no further action is required. The 2022-23 Consolidated Monitoring is now closed. You may print off a copy of your completed Monitoring Instrument at https://www.federalmonitor.com/pa. If you have any questions, please feel free to contact your regional coordinator. Thank you for your cooperation. Sincerely, Susan McCrone Chief Division of Federal Programs

Facility Plans and Other Capital Needs

The Charter School's plan for future facility development and the rationale for the various components of the plan

Reach is still determining about buying a building or leasing this upcoming year. Additionally, note that the increase in fixed assets is due to Reach taking over all school functions from Pearson.

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities and the major fund of Reach Cyber Charter School ("the School"), as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the School's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the School, as of June 30, 2023, and the respective changes in financial position, and the respective budgetary comparison for the general fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

The School's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of

503 Carr Road ◻ Suite 100 ◻ Wilmington, DE 19809
302.478.8940 ◻ www.btcpa.com

America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 7. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise School's basic financial statements. The schedule of expenditures of federal awards on page 28 is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations, Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is not a required part of the basic financial statements.

The schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 27, 2024, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

The Board of Trustees of Reach Cyber Charter School ("the School") offers readers of the School's financial statements this narrative overview and analysis of the financial activities of the School for the fiscal year ended June 30, 2023. We encourage readers to consider the information presented here in conjunction with the School's financial statements.

FINANCIAL HIGHLIGHTS

- Total revenues increased by $1,896,829 to $135,535,586 due primarily to increases in federal revenue.
- At the close of the current fiscal year, the School reported an ending net position of $70,462,732.
- The General Fund ended the year with a fund balance of $60,671,869, a decrease of $1,757,141 from the previous year.
- The School's cash balance at June 30, 2023 was $11,318,546, representing a decrease of $15,566,815 from June 30, 2022.

OVERVIEW OF THE FINANCIAL STATEMENTS

The management's discussion and analysis is intended to serve as an introduction to the School's basic financial statements. The School's basic financial statements as presented comprise four components: Management's Discussion and Analysis (this section), the basic financial statements, required supplementary information, and reporting required under *Government Auditing Standards* and the Uniform Guidance.

Government-wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the School's finances in a manner similar to a private-sector business.

The *statement of net position* presents information on the School's assets and deferred outflows of resources, and liabilities and deferred inflows of resources, with the difference between these items as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the School is improving or deteriorating.

The *statement of activities* presents information showing how the School's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows.

The government-wide financial statements report on the function of the School that is principally supported by subsidies from school districts whose constituents attend the School.

Fund Financial Statements

A *fund* is a group of related accounts that are used to maintain control over resources that have been segregated for specific activities or purposes. The School, like government-type entities, utilizes fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The School has one governmental fund – the General Fund.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. As of June 30, 2023, the School's liabilities were exceeded by its assets by $70,462,732.

Governmental Funds

The focus of the School's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the School's financing requirements. In particular, *fund balance* may serve as a useful measure of a government's net resources available for spending for program purposes at the end of the fiscal year.

The General Fund reported an ending fund balance of $60,671,869, which was a decrease of $1,757,141 from the previous year. For the year ended June 30, 2023, the General Fund's expenditures of $138,580,079 exceeded revenue of $135,535,586 and other financing sources of $1,287,352 by $1,757,141.

Governmental Funds Budgetary Highlights

CAPITAL ASSET AND DEBT ADMINISTRATION

As of June 30, 2023, the School's investment in capital assets for its governmental activities totaled $11,554,185 (net of accumulated depreciation/amortization). This investment in capital assets includes leasehold improvements, furniture and fixtures, software, right to use lease assets, and machinery and equipment. Additional information on the School's capital assets can be found in Note 5.

The School had $930,943 in lease liability as of June 30, 2023. Detailed information regarding long-term debt activity is included in Note 8 to the financial statements.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The fiscal and operational stability of our Commonwealth's charter schools are directly linked to the State of Pennsylvania's budget and shifting political realities. This issue manifests itself most clearly in the way that the state determines each charter school's per pupil allotment which is calculated by the student's school district of residence and Form PDE-363. Form PDE 363 uses a "state-determined" formula to calculate per pupil allotments.

FUTURE EVENTS THAT WILL FINANCIALLY IMPACT THE SCHOOL

The School has been awarded a number of Federal program funding as a result of COVID-19 that can be spent over a number of fiscal years and ends on September 30, 2024.

FOR THE YEAR ENDED JUNE 30, 2023

NET CHANGE IN FUND BALANCE - GOVERNMENTAL FUND	$ 1,757,141
Amounts reported for governmental activities in the statement of activities are different because:	
Capital outlays are reported in governmental funds as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation/amortization expense. This is the amount by which capital outlay ($13,071,221) exceeded depreciation/amortization expense ($2,422,294).	(10,648,927)
The issuance of long-term debt (e.g. leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position.	851,621
In the statement of activities, certain operating expenses - compensated absences - are measured by the amounts earned during the year. In the governmental funds, however, expenditures for these items are by the amount of financial resources used (essentially, the amounts measured actually paid). This is the amount by which current period amounts paid were less than current period compensated absences earned.	128,470

NOTE 1 DESCRIPTION OF THE SCHOOL AND REPORTING ENTITY

Reach Cyber Charter School ("the School") is organized as a nonprofit corporation in Pennsylvania to operate a charter school in accordance with Pennsylvania Act 22 of 1997. The School is currently operating under a charter which expires on June 30, 2029.

The financial statements of the School are prepared in accordance with the accounting system and procedures prescribed for charter schools by the Commonwealth of Pennsylvania, Department of Education, which conforms to accounting principles generally accepted in the United States of America as applicable to governmental units. The Governmental Accounting Standards Board ("GASB") is the authoritative standard-setting body for the establishment of governmental accounting and financial reporting principles.

Reporting Entity

GASB's *Codification of Governmental Accounting and Financial Reporting Standards* ("GASB Codification") established the criteria for determining the activities, organizations, and functions of government to be included in the financial statements of the reporting entity. In evaluating the School as a reporting entity, management has addressed all potential component units which may or may not fall within the School's financial accountability. The criteria used to evaluate component units for possible inclusion as part of the School's reporting entity are financial accountability and the nature and significance of the relationship. On the basis of these criteria, the School does not have any component units.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

Entity-wide Financial Statements

The entity-wide financial statements (the statement of net position and the statement of activities) report on the School as a whole. The statement of activities demonstrates the degree to which the direct expenses of the School's functions are offset by the program revenues.

The statement of net position and the statement of activities are prepared using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned, and expenses are recorded when a liability is incurred regardless of the timing of the related cash flows. Grants and similar items are recognized as soon as all eligibility requirements imposed by the provider have been met.

Amounts reported as program revenues include federal and state grants. Internally, as well as subsidy from local schools, dedicated resources are reported as general revenues rather than as program revenues.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

The entity-wide financial statements report net position in one of three components. Net amortized investment in capital assets consists of capital assets, net of accumulated depreciation/amortization and net of debt. Net position is reported as restricted when constraints placed on the net position use are either externally imposed by creditors (such as through debt covenants), grantors or contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation. Unrestricted net position consists of net position that does not meet the definition of "net investment in capital assets" or "restricted."

Fund Financial Statements

The fund financial statements (balance sheet - governmental fund and statement of revenues, expenditures, and changes in fund balance - governmental fund) report on the School's general fund.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the School considers revenues to be available if they are collected within 60 days of the end of the current period. Expenditures generally are recorded when a liability is incurred, if measurable. The fund utilized by the School and a brief description of its accounting purpose is as follows:

Governmental Fund – The general fund is the only fund which accounts for all revenues and expenditures of the School.

Fund balance of the governmental fund is classified as applicable, as follows:

Nonspendable – amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.

Restricted – amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.

Committed – amounts that can be used only for specific purposes determined by formal action of the Board of Trustees. The Board is the highest level of decision-making authority for the School. Commitments may be established, modified, or rescinded only through resolutions approved by the Board of Trustees.

Assigned – amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. The Chief Executive Officer may

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

assign amounts for specific purposes. The School assigned $40,584,626 of the fund balance as follows:

1. $929,779 for special education equipment and accommodations
2. $10,944,071 for capital expenditures
3. $4,491,778 for STEM and career readiness initiatives
4. $1,964,857 for benevolent outreach
5. $10,000,000 for anticipated funding reductions
6. $3,500,000 for unanticipated costs due to self-managed transition
7. $6,877,016 for future student and staff technology
8. $1,877,125 for external outreach and web design

Unassigned – all other spendable amounts.

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balances are available, the School considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the School considers amounts to have been spent first out of committed funds, then assigned funds and, finally, unassigned funds, as needed, unless the Board or Chief Executive Officer have provided otherwise in their commitment or assignment actions.

Income Tax Status

The School is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. The School has been classified as an organization that is not a private foundation under Sections 509(a)(1) and 170(b)(1)(a)(iv) of the Internal Revenue Code. The School did not engage in any unrelated business activities during the fiscal year. Management believes more likely than not that its tax-exempt status and tax positions will be sustained if examined by authorities.

Budgets and Budgetary Accounting

Budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America. An annual budget is adopted for the general fund, and they lapse at the end of the year.

Cash and Cash Equivalents

The School's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Federal and State Subsidies Receivable

Accounts receivable primarily consist of amounts due from the Pennsylvania Department of Education for federal grants and state subsidy programs. Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management determines if an allowance for doubtful accounts is necessary based upon review of outstanding receivables, historical collection experience, and existing economic conditions. Accounts deemed uncollectable are charged off based on this review. As of June 30, 2023, no allowance for doubtful accounts was deemed necessary.

Other Receivables

Other receivables include school district receivables, grants, and other non-contract receivables. The School provides an allowance for doubtful accounts using the allowance method, which is based on management's judgment considering historical information. In addition, an allowance is provided for other accounts when a significant pattern of collectability has occurred. When all collection efforts have been exhausted, the accounts are written off against the related allowance. As of June 30, 2023, the School held an allowance for uncollectable receivables of $244,557.

Capital Assets

Capital assets, which include leasehold improvements, equipment, right to use lease assets, software, and furniture and fixtures, are reported in the entity-wide financial statements. All capital assets are capitalized at cost and updated for additions and retirements during the year. The School maintains a $1,000 threshold for capitalizing assets. Capital assets of the School are depreciated/amortized using the straight-line method over the estimated useful lives of the asset. The estimated useful lives of leasehold improvements and furniture and fixtures are six to seven years, and equipment is three to six years. Right to use lease assets are amortized over the term of the lease.

Concentration of Risk

Periodically, the School may maintain deposits in excess of the Federal Deposit Insurance Corporation's limit of $250,000 with financial institutions.

Compensated Absences

It is the School's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. The benefits are accrued when incurred in the government-wide financial statements. A liability for these amounts is reported in the General Fund only if they have matured, for example, as a result of employee resignations or treatments.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 CASH

Deposits

Custodial Credit Risk

Custodial credit risk is the risk that in the event of a bank failure, the School's deposits may not be returned. The School does not have a policy for custodial credit risk. At June 30, 2023, the carrying amount of the School's deposits was $11,318,546, and the bank balance was $17,398,419. Of this amount, $250,000 was insured by the Federal Deposit Insurance Corporation (FDIC), and $17,148,419 was exposed to custodial credit risk because it was uninsured, and the collateral held by the depository's agent was not in the School's name.

Investments

At June 30, 2023, the School's investment balances were as follows:

Investment Type	Fair Value	Less Than 1	1 - 5	Rating
Mutual Funds	$ 10,187,744	$ -	$ -	-

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

March 27, 2024

To the Board of Trustees
Reach Cyber Charter School
Harrisburg, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the major fund of Reach Cyber Charter School ("the School"), as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the School's basic financial statements, and have issued our report thereon dated March 27, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting ("internal control") as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

To the Board of Trustees
Reach Cyber Charter School

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

March 27, 2024

To the Board of Trustees

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Reach Cyber Charter School ("the School") compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on the School's major federal programs for the year ended June 30, 2023. The School's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and recommendations.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each major federal program for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States ("*Government Auditing Standards*"); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

503 Carr Road ◻ Suite 100 ◻ Wilmington, DE 19809
302.478.8940 ◻ www.btcpa.com

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts, or grant agreements applicable to the School's federal program.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

To the Board of Trustees
Reach Cyber Charter School

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Parent Engagement and consistent communication appears to be a top priority at Reach Cyber CS.

Component VII: Consolidation of Federal Administrative Funds

A local educational agency (LEA) that consolidates administrative funds for any fiscal year (FY) shall not use any other funds under the programs included in the consolidation for administration for that FY (Every Student Succeeds Act [ESSA] Section 8203). Indirect costs are a part of costs of administration; thus, indirect costs pertaining to programs included in the consolidation may only be paid out of the funds available for the administrative cost pool. For example, if a program must budget and expend at least 85 percent on direct services to students, then the total allowable for administration (e.g., program administration plus indirect costs) cannot exceed 15 percent.
Programs that may be included in the consolidation of administrative funds are:

- Title I, Part A (Basic)
- Title I, Part C (Migrant Education)
- Title I, Part D (Delinquent)
- Title II, Part A (Supporting Effective Instruction)
- Title III (Immigrant Students)
- Title III (English Learner Students)
- Title IV, Part A (Student Support and Academic Enrichment)

The consolidated funds may be used for the administration of the programs included in the consolidation and for uses, at the school district and school levels, designed to enhance the effective and coordinated use of funds under those programs.

Program Review Date: 06/29/2023

Title IA: Fiscal

Component I: General Fiscal Requirements/Uniform Grants Guidance

Fiscal monitoring is different than program monitoring: Fiscal monitoring will include a review of a subgrantee's financial operations, which may include a review of internal controls for program funds in accordance with state and federal requirements, an examination of principles, laws and regulations, and a determination of whether costs are reasonable and necessary to achieve program objectives. This activity involves an assessment of financial statements, records, and procedures. It is similar to an audit but has a lesser degree of detail and depth and, usually, a higher degree of frequency.

Fiscal monitoring includes, but is not limited to:

- Reviewing a random sample (usually 3-5 per program) of invoices or bills for expenditures charged to the program to determine if appropriate units of measure are reported and that costs (units x rate) are correct and that costs align with grant objectives and were approved in the application for funds.
- Comparing budgets or budget limits to actual costs to determine if the LEAs expenditures are likely to be more or less than budgeted
- Obtaining documentation that services billed or items purchased were actually delivered according to the contract
- Comparing invoices with supporting documentation to determine that costs were allowable, necessary, and allocable.

An expenditure is allowable if it is an approved use of funds under the statute or regulations governing a program and meet the intent of the program.

An expenditure is necessary if it is part of an approved application for funding.

An expenditure is allocable to the extent that the expenditure is used to meet the intent of the grant program (costs are pro-rated across grants if used to meet several grant program objectives).

Russell National School Lunch Act. The CEP is a reimbursement option for eligible LEAs and schools that wish to offer free meals to all children in high-poverty schools.

Dear Jane Swan,

I thank you and your staff for participating in the Federal Programs Consolidated Review for the 2022-23 school year. Our monitoring provides a reasonable basis for our opinion on compliance for each major federal program. However, our monitoring results do not constitute a determination of Reach Cyber CS compliance. At this time, all documents uploaded to Fedmonitor have been reviewed and no further action is required. The 2022-23 Consolidated Monitoring is now closed.

You may print off a copy of your completed Monitoring Instrument at https://www.federalmonitor.com/pa. If you have any questions, please feel free to contact your regional coordinator.

Thank you for your cooperation.

Sincerely,

750 East Park Drive
Suite 204
Harrisburg, Pa 17111

Dear Ms. Swan:

I have been informed that your agency has resolved the noncompliance with timelines for initial evaluation of students that had been identified as a result of the State Performance Plan follow up monitoring. This has been corrected as of September 25, 2018 by your agency.

As you know, federal regulations require states to monitor local education agency's compliance with federal and state requirements for special education. Your response to the monitoring and subsequent corrective action assures the continuation of improved special education services to Pennsylvania students.

The Department of Education appreciates your cooperation and the Bureau of Special Education remains available to you should you desire further assistance in the future.

Sincerely,

Ann Hinkson-Herrmann
Director

DEPARTMENT OF EDUCATION

March 26, 2018

Ms. Jane Swan
Chief Executive Officer
Reach Cyber CS
750 East Park Drive
Suite 204
Harrisburg, Pa 17111

Dear Ms. Swan:

Enclosed is the Report of Findings presenting results of the cyclical monitoring which was conducted by the Bureau of Special Education (BSE) in the Reach Cyber CS the week of February 12, 2018.

The Executive Summary is arranged in two parts and includes an Appendix. PART I presents the Summary of Findings including an explanation of the review process and general findings. PART II describes the corrective action process. A description identifying findings of noncompliance, corrective action required, improvement planning needed, and results of interviews of staff and parents can be found in the Appendix. The charter school must complete corrective action within the calendar days as outlined in the Charter School Corrective Action Verification/Compliance and Improvement Plan developed with the BSE Adviser. Follow-up onsite reviews verifying the charter school's completion of corrective action will be conducted by the BSE. The BSE Adviser will contact the charter school to schedule the initial visit within 60 days of issuance of the monitoring report.

34 CFR 300.600 mandates the BSE to carry out monitoring activities and implementation of any necessary corrective action. Legal compliance is the basis on which high quality programs are built. It is policy of the Department of Education to promote and ensure compliance with special education statutes and regulations through an array of activities such as a coordinated program of plan review, compliance monitoring, technical assistance, and funding decisions. However, if the Department does not succeed in obtaining prompt compliance through activities such as monitoring, then more rigorous steps can be taken to make sure compliance is resolved. These include:

- Disapproval or rescinded approval of the local special education plan
- Deferment of the disbursement of state or federal funds pending resolution of the issue
- Reduction of the amount of funds (for example, by the amount of money it takes to provide an appropriate education to a particular child or children) if a charter school is unwilling to provide appropriate services

None of these steps are desirable and none should be necessary if each charter school is familiar with and attentive to the rules governing special education.

If you have any questions about this report, contact Jessica Keener-Haas, the Chairperson of the compliance monitoring team.

Please convey my thanks to all staff who participated in the review. Their time and assistance is appreciated.

Sincerely,

Ann Hinkson-Herrmann
Director

A. Review Process

Prior to the Bureau's monitoring the week of February 12, 2018, the Reach Cyber CS was formally notified of the dates the onsite review would be conducted. Notice and invitation to comment was also provided to the Local Task Force on Right-to-Education. The charter school was informed of its responsibility to compile various reports, written policies, and procedures to document compliance with requirements.

While onsite, the monitoring team employed a variety of techniques to gain an in depth understanding of the charter school's program operations. This included:

- Interviews of charter school administrative and instructional personnel
- Review of policies, notices, plans, outcome and performance data, special education forms and formats, and data reports used and compiled by the charter school (Facilitated Self-Assessment)
- Comprehensive case studies (including classroom observations, student file reviews, and interviews of parents and general and special education teachers).

B. General Findings

In reaching compliance determinations, the Bureau of Special Education (BSE) monitoring teams apply criteria contained in federal and state special education regulations. Specifically, these are:

- Individuals with Disabilities Education Improvement Act of 2004
- 22 Pa. Code Chapter 711
- 34 CFR Part 300

This report focuses on compliance with regulatory requirements and also contains descriptive information (such as interview and survey results) intended to provide feedback to assist in program planning.

C. Overall Findings

1. FACILITATED SELF ASSESSMENT (FSA)

The team reviewed the FSA submitted by the charter school and conducted onsite verification activities of the information submitted in the FSA. The onsite verification activities included review of policies, notices, procedures, and file reviews.

*This determination is based on the data used for the monitoring. More recent data provided by the LEA may demonstrate that the LEA does not require an improvement plan for this topic. Please refer to the Corrective Action Verification/Compliance and Improvement Plan for final guidance.

2. **FILE REVIEW** (Student case studies)

The education records of randomly selected students participating in special education programs were studied to determine whether the charter school complied with essential requirements.

The status of compliance of the Reach Cyber CS is as follows:

Sections of the FILE REVIEW	In Compliance	Out of Compliance	NA
Essential Student Documents Are Present and Were Prepared Within Timelines	71	14	75
Evaluation/Reevaluation: Process and Content	176	10	594
Individualized Education Program: Process and Content	482	50	268
Procedural Safeguards: Process and Content	107	13	0
TOTALS	**836**	**87**	**937**

3. TEACHER AND PARENT INTERVIEWS

Interviews were conducted with parents and teachers of students selected by the BSE for the sample group. The goal is to determine if the charter school involves parents and professionals in required processes (e.g., evaluation, IEP development), whether programs and services are being provided, and whether the charter school provides training to enhance knowledge. Parent and teacher satisfaction with the special education program is also generally assessed.

PART II
CORRECTIVE ACTION PROCESS

PART I of this report presented an overall summary of findings. In the Appendix to the report, we have provided the detailed findings for each of the criteria of the compliance monitoring document, i.e. FSA, File Reviews, Interviews and Classroom Observations. The detailed report of findings includes:

- Criteria Number
- Statements of all requirements
- Whether each requirement was met, not met, not applicable or other
- Statements of corrective action required for those criteria not met. ***Criteria not met that require corrective action by the charter school are gray-shaded.***

Charter schools are advised that in accordance with requirements of the Individuals with Disabilities Education Act, all noncompliance must be corrected as soon as possible but in no case later than one year from the date of the monitoring report. The BSE is required to verify timely correction of noncompliance, and must report annually to the federal government and the public on this requirement.

Upon receipt of this report, the charter school should review the corrective action and improvement planning required. The report is formatted so that findings from all components of the monitoring are consolidated by topical area. The report lists the finding, and whether corrective action is required. For certain types of findings, corrective action will be prescribed, and will not vary from charter school to charter school. For example, if the finding is that the charter school lacks a specific required policy, it is reasonable to have the BSE prescribe a standardized remedy and timeline for correcting this deficiency. However, the majority of corrective action activities will be individually designed by the charter school based on their own unique circumstances and goals. Consistent with IDEA's general supervision requirements for states, BSE must approve all proposed corrective action.

With respect to the File Review, because students were selected at random, findings are generalized to the entire population of students with disabilities. During the corrective action review, the BSE Advisor will select students at random and will review updated data, i.e. records that were developed subsequent to the monitoring. Consequently, the charter school should approach corrective action on a systemic basis. As indicated above, the charter school is also required to correct student specific noncompliance identified during monitoring under the ICAP process. If there has been a finding of noncompliance in the Educational Benefit Review component, the individual students are identified to the charter school and, because of the significance of the provision of a free appropriate public education (FAPE) to these students; the charter school must take immediate corrective action.

The BSE Adviser will schedule an onsite visit with the charter school within 60 days following issuance of the monitoring report. The BSE Adviser, charter school, and PaTTAN staff will develop a Charter School Corrective Action Verification/Compliance and Improvement Plan. PaTTAN and IU staff are available to assist the charter school.

Upon conclusion of the corrective action process, the charter school will be notified of its successful completion of the monitoring process.

Subject: Addendum to Memorandum of Understanding (MOU) dated August 11, 2023.

Dear Rachell Toomey,

We, Barbizon School of Modeling and Acting, and Reach Cyber Charter School, entered into a Memorandum of Understanding (MOU) on August 11, 2023 outlining the terms and conditions of our collaboration for an internship for Reach high school students.

Through mutual consent, both parties have agreed to incorporate the following amendments and additions to the original MOU:

We are adding two new programs.

The Level 2 internship is designed for Reach high school students who have completed the first 60-hour internship. The Level 2 online internship duration is three months long and a total of 60 hours including classroom time, practicing skills, meeting with a mentor and homework. The class time is 6:30-8:30 p.m. every Tuesday starting on March 12, 2024. The tuition is $1595.00. We require at least an 8-student minimum to run the internship.

The second program we are adding is the middle school program which is an 8-week program that will meet online starting on Monday, March 4, 2024 from 7-8 p.m. It will consist of modeling and acting and promote creativity and self-expression but also foster skills such as public speaking, teamwork, and confidence building. The tuition would be $549.00 per student. We require at least an 8-student minimum to run the program.

This addendum shall become effective on [Effective Date], and all other terms and conditions of the original MOU that are not expressly modified herein shall remain in full force and effect.

Both parties hereby acknowledge and agree to the terms set forth in this addendum. This addendum may be executed in counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument.

Please sign below to indicate your acceptance of the terms of this addendum.

Purpose
This MOU will outline the expectations of both parties during the 23-24 school year.

The above goals will be accomplished by undertaking the following activities:

- Reach will select students to participate in the pre-apprenticeship program and work with PA IEC to have all necessary paperwork and information submitted
- Each student must complete the entire pre-apprenticeship program with a 70% or higher in order to qualify for bonus ranking points during our open enrollment for the PA IEC apprenticeship program and must obtain a completion certificate.
- Reach will be responsible for all fees associated with the pre-apprenticeship program
- PA IEC will be responsible for providing information on grades, curriculum, and expectations associated with the program. PA IEC will also provide Charter information on the open enrollment process for the apprenticeship program.
- Reach will be responsible for oversight of each student as it pertains to completion of materials.

Reporting
Should the pre-apprentices not obtain a passing grade of at least 70%, they will not receive bonus points in the apprenticeship application process.

Funding
This MOU is not a commitment of funding. Tuition of $1300 shall be billed in two installments and due prior to the start of each semester. For those attempting to qualify for the apprenticeship program following completion of the pre-apprenticeship program, a $100 application fee is required during the application process for PA IEC. Additional funds may be available through the workforce investment board but obtaining those shall be solely the responsibility of Reach and/or the student.

Duration
This MOU is at-will and may be modified by mutual consent of authorized officials from PA IEC and Reach. This MOU shall become effective upon signature by the authorized officials from the listed partners and will remain in effect until modified or terminated by any one of the partners by mutual consent. DUAL ENROLLMENT AGREEMENT

This Agreement is entered by and between the **Reach Cyber Charter School** (the "District") and **Mercyhurst University** (the "University").

BACKGROUND

WHEREAS, the University is a post-secondary educational institution that provides college level courses and is desirous of providing such courses to students of the District; and

WHEREAS, the District is desirous of establishing a relationship with the University whereby its students may receive experience in college level education subject to the provisions of this Agreement (referred to hereinafter as "Agreement" or "Contract").

NOW THEREFORE, intending to be legally bound, the parties hereto agree as follows:

I. PURPOSE

The purpose of this Agreement is to allow eligible and appropriately qualified high school students the benefit and advantage of enrolling in Mercyhurst University's Dual Enrollment program concurrently with high school classes, the benefit of receiving both high school and college credit, and the benefit of experiencing coursework at the college level at a reduced cost to students.

II. DUTIES AND RESPONSIBILITIES OF THE UNIVERSITY

a. *Education of Students.* The attached Table 1 identifies the specific courses that will be offered to eligible students of the District in the Dual Enrollment program.

The courses listed on Table 1 are subject to change. Additional courses that become available may also be offered to the students upon the mutual agreement of the parties hereto. The University agrees to provide the District with information about any changes in the liberal arts (REACH) curriculum, should they occur. The University agrees to provide the District with information about any changes in the course offerings, should they occur.

The University shall assume full responsibility for the classroom education of its students. The University shall be responsible for the administration of the program, the curriculum content, the requirements for participation, grading, graduation, maintenance of records and faculty appointments. All students are subject to the University's code conduct, relevant provisions of the Course Catalog, and other applicable University policies and procedures.

b. *Provision of Materials.* The University will be responsible for providing all necessary registration materials to the appropriate district personnel and will provide whatever support is necessary for successful completion of the enrollment process.

c. *Student Requirements/Eligibility.* Students of the District must complete the University Dual Enrollment Application. Applicants to the University must meet the admissions requirements of the University as well as program requirements. The student must be a high school junior or senior. The student must have a high school cumulative Grade Point Average (GPA) of at least a 3.5 and demonstrate readiness for college-level coursework.

The University acknowledges and agrees that, in the event a student is suspended or expelled by the District, the student shall not be permitted to participate in the dual enrollment program during the period of said suspension or expulsion. Under such circumstances and when applicable, the University shall utilize its withdrawal policies and tuition reimbursement policies in order to determine whether the student, the student's parents/guardians, or the District is entitled to a refund of any portion of the tuition costs paid to the University.

d. *Direct Contact with Children.* The University shall provide proof of compliance with all applicable requirements of PA Act 153 for any University employee who will have direct contact children.

e. *The University will assure that courses are non-remedial.* The courses shall be identical to those offered when dual enrollment students are not enrolled and shall use identical curriculum, assessments and instructional materials.

f. *Student Records.* The University shall protect the confidentiality of student records as dictated by the Family Educational Rights and Privacy Act (FERPA) and shall release no information absent written consent of the student unless required to do so by law or as dictated by the terms of this Agreement.

III. DUTIES AND RESPONSIBILITIES OF THE DISTRICT

a. *Student Records.* The District shall protect the confidentiality of student records as dictated by the Family Educational Rights and Privacy Act (FERPA) and shall release no information absent written consent of the student unless required to do so by law or as dictated by the terms of this Agreement.

IV. MUTUAL TERMS AND CONDITIONS

a. *Number of Participating Students.* The parties agree that the university will determine class enrollment limits and enrollment will be contingent in individual classes based upon the space available. District students will be given every consideration for class placement.

b. *Compensation.* Student tuition shall be $100.00 per credit. As with the District's other dual enrollment programs that meet all of the requirements of 24 P.S. 16-1611-B *et. seq.* and the eligibility requirements for grant funding, the District, in accordance with the District's Dual Enrollment Resolution and at its sole discretion (unless required to do otherwise by law), may contribute tuition assistance in

addition to the University scholarship for any District student who chooses to enroll in the program. The remaining tuition amount will be the responsibility of the student/parent(s).

Notwithstanding Section V(2) of this Agreement, the parties agree that the District reserves the right to modify the amount of any District contribution at its sole discretion, without the consent of the University, and without the necessity of amending this Agreement. The parties understand and agree that said District Contribution is contingent upon a student's voluntary choice to enroll in the University's course(s).

With regard to the circumstances under which a student is permitted to withdraw from a course and the circumstances under which tuition reimbursement is afforded when a student withdraws from a course, the University's withdrawal policies and tuition reimbursement policies will be in effect and shall govern all classes covered by this Agreement.

c. *Term of Agreement.* The term of this Agreement shall be from December 15, 2022, through June 30, 2023.

d. *Student Credit.* In order to successfully complete a course listed in this Agreement, students must earn a minimum grade of "C". The District will award credit (and determine whether it's a core or an elective credit) for and recognize courses that are successfully completed under this Agreement as fulfilling its graduation requirements. However, the District will award a student no more than one credit for courses successfully completed during the Summer (after the completion of the Spring Semester and prior to the start of the Fall Semester), regardless of how many courses are successfully completed and regardless of the fact that July 1 marks the beginning of the District's new year. For example, (i) if a student successfully completes one or more courses after the conclusion of the Spring Semester and prior to July 1 and also successfully completes one or more courses on or after July 1 and prior to the start of the Fall Semester, the District will award only one credit; (ii) if a student successfully completes two or more courses after the conclusion of the Spring Semester and prior to July 1, the District will award only one credit; or (iii) if a student successfully completes two or more courses on or after July 1 and before the start of the Fall Semester, the District will award only one credit.

The University will award postsecondary credit, not to exceed 24 postsecondary credits in any school year, to students who successfully complete courses identified in this Agreement as identified below. The University will transcript this credit in a manner similar to other students who take courses at the institution. If a dual enrollment student becomes a regularly enrolled student at the University following graduation from secondary school, the University shall recognize those credits as applying to the student's degree requirements as it would for any regularly enrolled postsecondary student who took the courses.

f. *Promotional Materials.* Both the University and the District agree to provide a

mechanism for communicating the educational and economic benefits of higher education as well as the requirements for participation and enrollment procedures for dual enrollment to parents and students. Either party may cite the terms of this Agreement in its official publications and other student communications.

Notwithstanding Section V(2) of this Agreement, the parties agree that, in the event that any member of the Dual Enrollment Committee becomes unable to serve in said capacity for any reason during the term of this Agreement, the District or University shall be entitled to select a new member without the need to amend this Agreement.

h. *Transportation.* Unless otherwise required by law, the District shall have no obligation to, and shall not be required to, transport students to and from the classroom facilities. In the event the District elects to provide transportation, said decision is discretionary and District transportation can be terminated at any time at the sole and unrestricted discretion of the District.

PART B: STANDARD TERMS AND CONDITIONS

1. The Parties: CMP and Sponsor are sometimes each referred to herein as a "Party" and collectively as the "Parties".

2. Sponsorship Acknowledgments: CMP agrees to provide the Sponsorship Acknowledgments identified in Part A of this Agreement in connection with the Sponsored Activity during the Term, unless shorter durations are indicated in Part A, in return for the timely receipt of the Sponsorship Fee/Consideration identified in Part A of this Agreement and in consideration of Sponsor's good reputation and standing. Sponsor understands and agrees that no Sponsorship Acknowledgement shall consist of or include: (i) messages containing qualitative or comparative language, price information or other indications of savings or value; (ii) endorsements of Sponsor's products or services; or (iii) inducements to purchase, sell or use any of Sponsor's products or services, such as for example, savings coupons or buy one get one free promotional offers. If in the future circumstances change such that it is no longer feasible, in the opinion of the Museum, to continue to provide the Sponsorship Acknowledgements identified in Part A, or any portion(s) thereof, CMP will provide substitute acknowledgements that, in its opinion, most closely fulfill the intentions described.

3. Media/Marketing Elements: The credit line, if any, identified in Part A of this Agreement and/or Sponsor's name and/or logo as mutually agreed by Sponsor and Museum, will be included in the Media/Marketing Elements in a manner recognizing Sponsor as a sponsor of the Sponsored Activity, in a format to be mutually agreed upon between the parties, taking into account space and other like constraints which may vary from element to element.

4. Onsite Signage, Displays, Handouts, Giveaways and Other Property of Sponsor: Sponsor shall be permitted to conduct the activities, if any, identified in Part A of this Agreement at CMP in connection with the Sponsored Activity at the dates and times identified in Part A or to be mutually agreed upon by the Parties. In no event shall Sponsor distribute materials of any kind to children under the age of 18 or solicit children under the age of 18 for personal information. Sponsor shall be solely responsible for any and all transportation and storage relating to any such signage, handouts, displays, giveaways, products, materials, items and other property. Notwithstanding any other provisions of this Agreement, Sponsor shall be solely responsible and liable for all property brought onto CMP premises by Sponsor, including any and all damage, theft or loss relating thereto.

Sponsor is also solely responsible for obtaining and maintaining copies of the requisite clearances (and applications for clearances) of such persons.

Sponsor shall not have the right to sublicense except that Sponsor may permit its designees (which shall be subject to the terms of this Agreement) to produce materials for or on behalf of Sponsor for purposes of effecting the Sponsor's rights and obligations under this Agreement. Sponsor shall not use the CMP Marks for any purpose other than as described in this Agreement. CMP shall have the right to review and pre-approve of all uses of the CMP Marks hereunder. All use of the CMP Marks, and all goodwill associated therewith, shall inure exclusively to the benefit of CMP.

10. Term and Termination. The Term of this Agreement is as set forth in Part A of this Agreement hereof. Either Party may terminate this Agreement in the event the other Party materially breaches this Agreement and does not cure such breach within fourteen (14) days after written notice of such breach is given by the non-breaching Party to the allegedly breaching Party. The Parties agree to engage, during such termination notice period, in a good faith effort to effect a mutually agreed upon cure. CMP shall also have the right, without liability to Sponsor, to immediately stop Sponsor's participation in the Sponsored Activity on verbal notice at the Activity in the event that Sponsor's goods/materials and/or Sponsor's actions are in material breach of this Agreement or otherwise inconsistent with the reputation, standing or mission of the CMP in its sole discretion.

11. Content and Materials Provided by Sponsor. Sponsor represents and warrants that all content, including without limitation the Sponsor Marks, products, giveaways, handouts, signage and/or any and all other items and materials provided by Sponsor for use in connection with the Sponsorship Acknowledgements, shall not contain any matter that is obscene or libelous; is unsafe; violates any applicable law, rule or regulation; and/or infringes, misappropriates or otherwise violates the copyrights, trademark rights, patent rights, rights of publicity or privacy, or other rights of any third party. The terms of this Section shall survive the expiration or termination of this Agreement.

12. Indemnification.

(a) Sponsor shall defend, indemnify and hold harmless CMP and its agents, officers, directors, employees and representatives from and against any and all damages, personal injuries, property damage, bodily injuries, liabilities, costs and expenses, including reasonable attorneys' fees and costs, arising out of, based on or in any other manner related to the following (including any and all claims, actions, lawsuits and/or demands by third parties): (i) activities undertaken, performed or conducted by Sponsor or its agents, officers, directors, employees, representatives, or others acting on behalf of Sponsor, in connection with the Sponsorship Acknowledgements or otherwise pursuant to this Agreement (including any and all activities relating to the sale, serving or distribution of alcohol by or on behalf of Sponsor); (ii) the material breach of this Agreement by Sponsor or its agents, officers, directors, employees or representatives; or (iii) the negligent or willful misconduct of Sponsor or its agents, officers, directors, employees or representatives, all except to the extent covered by subsection (b) of this Section.

(c) Each Party shall provide the other Party with prompt written notice of any claim, demand or action for which such Party is seeking or may seek indemnification hereunder. The Parties agree to render to each other such assistance as may reasonably be requested in order to ensure a proper and adequate defense. The indemnifying party shall not have the right to settle any claim if such settlement contains a stipulation to, or an admission or acknowledgement of, any wrongdoing on the part of an indemnified party. The indemnified parties shall not make any settlement of any claims, which might give rise to liability of an indemnifying party, without the prior written consent of the indemnifying party.

(d) IN NO EVENT WHATSOEVER SHALL CMP BE LIABLE TO SPONSOR FOR ANY INDIRECT, SPECIAL CONSEQUENTIAL OR INCIDENTAL DAMAGES, HOWEVER CAUSED, ON ANY THEORY OF LIABILITY, AND WHETHER OR NOT CMP HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Any claims or causes of action against CMP arising in any manner out of this Agreement must be brought within three (3) months following the expiration or termination of this Agreement.

(e) The terms of this Section shall survive the expiration or termination of this Agreement.

13. Insurance Requirements:

(a) For the Term of this Agreement, Sponsor will, at its own expense, maintain the following insurance, with a reputable insurer acceptable to Museum, in full force and effect: (i) worker's compensation coverage to the extent required by law at the statutory limits and employer's liability insurance at a minimum of $500,000 each accident and bodily injury and $500,000 bodily injury by disease each employee; (ii) commercial general liability insurance sufficient to cover claims for personal injury, bodily injury (including death) advertising injury and property damage with a minimum limit of $1 million per occurrence and a $2 million aggregate for the products/completed operations and operations exposures; and (iii) business automobile insurance for owned, hired and non-owned vehicles with a minimum limit of $1,000,000 per occurrence on a combined single limit basis; and (iv) commercial excess/umbrella insurance with a minimum limit of $5,000,000 per occurrence with a $5 million aggregate. (b) Sponsor shall provide CMP a certificate of insurance certifying that coverage as required by this Agreement has been obtained and shall remain in force as specified by this Agreement. Sponsor must provide to CMP such proof of insurance prior to the provision of any Sponsorship Acknowledgements. Upon request, a copy of all or portions of policies will be provided to CMP.

(c) CMP shall be named as an Additional Insured on the general liability, automobile policies, umbrella liability, products liability and liquor liability policies. A copy of the additional insured endorsement providing coverage must accompany the certificate of insurance. (d) Thirty (30) days' notice shall be given to CMP if Sponsor's insurance policies are cancelled, or not-renewed, or any limits or coverages are reduced.

(e) The fulfillment or non-fulfillment of the insurance obligations hereunder shall not relieve Sponsor of any liability assumed by Sponsor hereunder or in any way modify Sponsor's obligations to indemnify CMP.

(f) The terms of this Section shall survive the expiration or termination of this Agreement for the time period stated in this Section.

14. Force Majeure. Museum shall not be responsible for events beyond its reasonable control, such as public emergency or necessity, legal restrictions, labor disputes, strikes, boycotts, casualties, government restrictions, acts of God, unforeseen commercial delays or for any reason, including but not restricted to mechanical breakdowns beyond the control and without the fault of Museum that impair or otherwise cause Museum to be unable to provide any one or more Sponsorship Acknowledgements or to provide the Sponsorship Acknowledgements at the time specified if any ("Force Majeure Occurrence"). In the event of a Force Majeure Occurrence, Museum shall not be liable to Sponsor except to the extent of allowing a pro-rated reduction of the Sponsorship Fee commensurate with the Sponsorship Acknowledgements not received by Sponsor or suitable "make goods". The terms of this Section shall survive the expiration or termination of this Agreement.

Any decision by the arbitrator(s) in accordance with this section shall be conclusive on the issues presented for arbitration and no appeal shall be allowed therefrom. This provision shall not impair or be in lieu of the rights of either Party to seek injunctive relief in a court of competent jurisdiction. Any such legal action, suit or proceeding arising out of or relating to this Agreement or the breach hereof shall be instituted in an appropriate state or federal court located in Allegheny County, Pennsylvania and each Party hereto irrevocably consents to such jurisdiction and venue and waives all objections thereto. The terms of this Section shall survive the expiration or termination of this Agreement.

16. Relationship of Parties. This Agreement shall not be construed to create or imply any relationship between the Parties other than that of independent contractors. Each Party hereby acknowledges full responsibility for the payment of its own expenses in connection herewith, including but not limited to any and all taxes. The Parties shall fully comply with all applicable laws, regulations and ordinances in the course of their performance of their services, commitments and obligations under this Agreement.

17. Miscellaneous: The failure of either Party at any time to enforce any of the provisions of this Agreement will in no way constitute or be construed as a waiver of such provision or of any other provision hereof, nor in any way affect the validity of, or the right thereafter to enforce, each and every provision of this Agreement. The payment or acceptance of fees or charges for any period after a default shall not be deemed a waiver of any right. This Agreement, together with any and all exhibits hereto, constitute the entire understanding of the Parties with respect to the subject matter hereof and may not be amended except by a written agreement executed by both Parties. This Agreement shall be binding upon the Parties and their respective heirs, successors and assigns. Notwithstanding the foregoing, neither Party shall have the right to assign this Agreement, in whole or in part, whether by operation of law or otherwise, without the prior written consent of the other Party. All notices hereunder shall be in writing, shall be delivered to the addresses and contact persons identified in Part A of this Agreement and shall be effective: (i) when personally delivered; (ii) when delivered by private courier (with confirmation of delivery); (iii) when transmitted via fax (with receipt confirmed); or (iv) three business days following deposit in the U.S. mail, postage prepaid, registered or certified, return receipt requested. (i) Any of Sponsor's employee(s) or representative(s), including any owner/proprietor of Sponsor, on CMP's properties conducting an activity(ies) as part of the Sponsorship Acknowledgements must have applied for and received the background check clearances specified under Pennsylvania Act 153 of 2014, as amended ("Act 153"), 23 Pa. C. S. Section 6344(b), or satisfy the conditions for provisional employment specified in 23 Pa. C. S. Section 6344(m). It is understood and agreed that anyone who has not received clearances under Act 153 or who does not meet the conditions for provisional employment under Act 153 shall not be permitted to conduct activities on CMP's properties as part of the Sponsorship Acknowledgements.

Sponsor is also solely responsible for obtaining and maintaining copies of the requisite clearances (and applications for clearances) of such persons.

(iii) **Sponsor shall provide the CMP Staff Representative with a sworn declaration** confirming that all of Sponsor's employee(s) or other representative(s), including any owner/proprietor of Sponsor, conducting activities on CMP's properties as part of the Sponsorship Acknowledgements have received the background check clearances specified by Act 153 or are qualified provisionally under Act 153. The form of declaration is attached as **PART B: Exhibit 1**.

(iv) Sponsor hereby releases CMP and agrees to defend, indemnify and hold CMP harmless, from and against any and all injuries, losses and/or damages (including reasonable attorneys' fees and costs) resulting from Sponsor's failure to comply with this Section 5 or from the interactions of Sponsor's employee(s) or representative(s) with minor children while conducting activities on CMP's properties as part of the Sponsorship Acknowledgements. The terms of this Section 5(b)(iv) shall survive the expiration or termination of this Agreement.

6. Exclusivity in Category: If applicable, during the Term of this Agreement, Sponsor shall be the exclusive sponsor of the Sponsored Activity in the Category as specifically identified in Part A of this Agreement.

7. Consideration. In exchange for the Sponsorship Acknowledgements and other rights granted to Sponsor herein, Museum shall receive from Sponsor the Sponsorship Fee in the total amount and according to the payment schedule set forth in Part A of this Agreement together with any and all other In-Kind Consideration, if any, identified in Part A of this Agreement.

8. Sponsor Marks. Sponsor hereby grants to Museum, for the Term of this Agreement, a limited, non-exclusive license to use and/or display the corporate and trade name(s), trademark(s), service mark(s), logo(s), symbol(s), design(s), decal(s), artwork(s) and other proprietary designation(s) of Sponsor (collectively "Sponsor Marks") for the purposes of effecting Museum's rights and obligations under this Agreement and thereafter for historical and archival purposes in connection with the documenting of the occurrence of the Sponsored Activity. Museum shall not have the right to sublicense except that Museum may permit its designees (which shall be subject to the terms of this Agreement) to produce materials for or on behalf of Museum for the purpose of effecting the Museum's rights and obligations under this Agreement.

Sponsor shall have the right to review and pre-approve of the uses of the Sponsor Marks hereunder. Any of the Sponsor Marks used or displayed in connection with this Agreement shall be and remain the sole and exclusive property of the Sponsor. All use of Sponsor's Marks, and all goodwill associated therewith, shall inure exclusively to the benefit of Sponsor.

9. CMP Marks. CMP hereby grants to Sponsor, for the Term of this Agreement, a limited, non-exclusive license to use and/or display CMP's name, trademark(s), service mark(s) and/or logo(s) identified in Part A of this Agreement (collectively "CMP Marks") solely for the purpose of identifying that Sponsor is a sponsor of the Program in accordance with the terms of this Agreement provided, however, Sponsor shall have no right to create merchandise for sale or distribution or other product giveaways that incorporate or otherwise display any of the CMP Marks without the prior written explicit agreement of CMP. Sponsor shall not have the right to sublicense except that Sponsor may permit its designees (which shall be subject to the terms of this Agreement) to produce materials for or on behalf of Sponsor for purposes of effecting the Sponsor's rights and obligations under this Agreement. Sponsor shall not use the CMP Marks for any purpose other than as described in this Agreement. CMP shall have the right to review and pre-approve of all uses of the CMP Marks hereunder. Sponsor must provide CMP with a sample of all proposed uses of the CMP Mark and CMP shall have at least five (5) business days to review and approve or disapprove the proposed use. Sponsor shall not make any proposed use of the CMP Marks without CMP's approval. Any of the CMP Marks used or displayed in connection with this Agreement shall be and remain the sole and exclusive property of CMP. All use of the CMP Marks, and all goodwill associated therewith, shall inure exclusively to the benefit of CMP.

10. Term and Termination. The Term of this Agreement is as set forth in Part A of this Agreement hereof. Either Party may terminate this Agreement in the event the other Party materially breaches this Agreement and does not cure such breach within fourteen (14) days after written notice of such breach is given by the non-breaching Party to the allegedly breaching Party. The Parties agree to engage, during such termination notice period, in a good faith effort to effect a mutually agreed upon cure. CMP shall also have the right, without liability to Sponsor, to immediately stop Sponsor's participation in the Sponsored Activity on verbal notice at the Activity in the event that Sponsor's goods/materials and/or Sponsor's actions are in material breach of this Agreement or otherwise inconsistent with the reputation, standing or mission of the CMP in its sole discretion.

11. Content and Materials Provided by Sponsor. Sponsor represents and warrants that all content, including without limitation the Sponsor Marks, products, giveaways, handouts, signage and/or any and all other items and materials provided by Sponsor for use in connection with the Sponsorship Acknowledgements, shall not contain any matter that is obscene or libelous; is unsafe; violates any applicable law, rule or regulation; and/or infringes, misappropriates or otherwise violates the copyrights, trademark rights, patent rights, rights of publicity or privacy, or other rights of any third party. The terms of this Section shall survive the expiration or termination of this Agreement.

12. Indemnification.

(a) Sponsor shall defend, indemnify and hold harmless CMP and its agents, officers, directors, employees and representatives from and against any and all damages, personal injuries, property damage, bodily injuries, liabilities, costs and expenses, including reasonable attorneys' fees and costs, arising out of, based on or in any other manner related to the following (including any and all claims, actions, lawsuits and/or demands by third parties): (i) activities undertaken, performed or conducted by Sponsor or its agents, officers, directors, employees, representatives, or others acting on behalf of Sponsor, in connection with the Sponsorship Acknowledgements or otherwise pursuant to this Agreement (including any and all activities relating to the sale, serving or distribution of alcohol by or on behalf of Sponsor); (ii) the material breach of this Agreement by Sponsor or its agents, officers, directors, employees or representatives; or (iii) the negligent or willful misconduct of Sponsor or its agents, officers, directors, employees or representatives, all except to the extent covered by subsection (b) of this Section.

(b) CMP shall defend, indemnify and hold harmless Sponsor and its agents, officers, directors, employees and representatives from and against any and all damages, personal injuries, property damage, bodily injuries, liabilities, costs and expenses, including reasonable attorneys' fees and costs, arising out of, based on or in any other manner related to the following (including any and all claims, actions, lawsuits and/or demands by third parties): (i) activities undertaken, performed or conducted by CMP or its agents, officers, directors, employees, representatives, or others acting on behalf of CMP, in connection with the conduct of the Sponsored Activity or otherwise pursuant to this Agreement (including any and all activities relating to the sale, serving or distribution of alcohol by or on behalf of CMP); (ii) the material breach of this Agreement by CMP or its agents, officers, directors, employees or representatives; or (iii) the negligent or willful misconduct of the CMP or its agents, officers, directors, employees or representatives, all except to the extent covered by subsection (a) of this Section.

(c) Each Party shall provide the other Party with prompt written notice of any claim, demand or action for which such Party is seeking or may seek indemnification hereunder. The Parties agree to render to each other such assistance as may reasonably be requested in order to ensure a proper and adequate defense. The indemnifying party shall not have the right to settle any claim if such settlement contains a stipulation to, or an admission or acknowledgement of, any wrongdoing on the part of an indemnified party. The indemnified parties shall not make any settlement of any claims, which might give rise to liability of an indemnifying party, without the prior written consent of the indemnifying party.

(d) IN NO EVENT WHATSOEVER SHALL CMP BE LIABLE TO SPONSOR FOR ANY INDIRECT, SPECIAL CONSEQUENTIAL OR INCIDENTAL DAMAGES, HOWEVER CAUSED, ON ANY THEORY OF LIABILITY, AND WHETHER OR NOT CMP HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Any claims or causes of action against CMP arising in any manner out of this Agreement must be brought within three (3) months following the expiration or termination of this Agreement.

(e) The terms of this Section shall survive the expiration or termination of this Agreement.

13. Insurance Requirements:

(a) For the Term of this Agreement, Sponsor will, at its own expense, maintain the following insurance, with a reputable insurer acceptable to Museum, in full force and effect: (i) worker's compensation coverage to the extent required by law at the statutory limits and employer's liability insurance at a minimum of $500,000 each accident and bodily injury and $500,000 bodily injury by disease each employee; (ii) commercial general liability insurance sufficient to cover claims for personal injury, bodily injury (including death) advertising injury and property damage with a minimum limit of $1 million per occurrence and a $2 million aggregate for the products/completed operations and operations exposures; and (iii) business automobile insurance for owned, hired and non-owned vehicles with a minimum limit of $1,000,000 per occurrence on a combined single limit basis; and (iv) commercial excess/umbrella insurance with a minimum limit of $5,000,000 per occurrence with a $5 million aggregate. Sponsor will also provide collision and comprehensive physical damage coverage on all vehicle(s)

furnished by Sponsor in connection with this Agreement during the period of time such vehicle(s) are in the possession or on the premises of CMP. If Sponsor is providing or serving alcoholic beverages in connection with any events included as part of the Sponsorship Acknowledgements or otherwise in connection with the Sponsorship Acknowledgements, liquor liability insurance in the amount of $2,000,000 is required.

(b) Sponsor shall provide CMP a certificate of insurance certifying that coverage as required by this Agreement has been obtained and shall remain in force as specified by this Agreement. Sponsor must provide to CMP such proof of insurance prior to the provision of any Sponsorship Acknowledgements. Upon request, a copy of all or portions of policies will be provided to CMP.

(c) CMP shall be named as an Additional Insured on the general liability, automobile policies, umbrella liability, products liability and liquor liability policies. A copy of the additional insured endorsement providing coverage must accompany the certificate of insurance. All coverage afforded to CMP by Sponsor's required coverages shall be on a primary and non-contributory basis. A waiver of subrogation endorsement in favor of CMP shall be provided on all policies, including without limitation the worker's compensation policies.

(d) Thirty (30) days' notice shall be given to CMP if Sponsor's insurance policies are cancelled, or not-renewed, or any limits or coverages are reduced.

(e) The fulfillment or non-fulfillment of the insurance obligations hereunder shall not relieve Sponsor of any liability assumed by Sponsor hereunder or in any way modify Sponsor's obligations to indemnify CMP.

(f) The terms of this Section shall survive the expiration or termination of this Agreement for the time period stated in this Section.

14. Force Majeure. Museum shall not be responsible for events beyond its reasonable control, such as public emergency or necessity, legal restrictions, labor disputes, strikes, boycotts, casualties, government restrictions, acts of God, unforeseen commercial delays or for any reason, including but not restricted to mechanical breakdowns beyond the control and without the fault of Museum that impair or otherwise cause Museum to be unable to provide any one or more Sponsorship Acknowledgements or to provide the Sponsorship Acknowledgements at the time specified if any ("Force Majeure Occurrence"). In the event of a Force Majeure Occurrence, Museum shall not be liable to Sponsor except to the extent of allowing a pro-rated reduction of the Sponsorship Fee commensurate with the Sponsorship Acknowledgements not received by Sponsor or suitable "make goods". The terms of this Section shall survive the expiration or termination of this Agreement.

15. Applicable Law/Jurisdiction/Disputes: This Agreement shall be governed and enforced under the laws of the Commonwealth of Pennsylvania without regard to conflicts of laws principles. Any controversy, claim or dispute arising out of or relating to this Agreement or the breach hereof, shall be submitted to arbitration in the City of Pittsburgh in accordance with the rules of the American Arbitration Association then in effect and judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. Any decision by the arbitrator(s) in accordance with this section shall be conclusive on the issues presented for arbitration and no appeal shall be allowed therefrom. This provision shall not impair or be in lieu of the rights of either Party to seek injunctive relief in a court of competent jurisdiction. Any such legal action, suit or proceeding arising out of or relating to this Agreement or the breach hereof shall be instituted in an appropriate state or federal court located in Allegheny County, Pennsylvania and each Party hereto irrevocably consents to such jurisdiction and venue and waives all objections thereto. The terms of this Section shall survive the expiration or termination of this Agreement.

16. Relationship of Parties. This Agreement shall not be construed to create or imply any relationship between the Parties other than that of independent contractors. Each Party hereby acknowledges full responsibility for the payment of its own expenses in connection herewith, including but not limited to any and all taxes. The Parties shall fully comply with all applicable laws, regulations and ordinances in the course of their performance of their services, commitments and obligations under this Agreement.

17. Miscellaneous: The failure of either Party at any time to enforce any of the provisions of this Agreement will in no way constitute or be construed as a waiver of such provision or of any other provision hereof, nor in any way affect the validity of, or the right thereafter to enforce, each and every provision of this Agreement. The payment or acceptance of fees or charges for any period after a default shall not be deemed a waiver of any right. This Agreement, together with any and all exhibits hereto, constitute the entire understanding of the Parties with respect to the subject matter hereof and may not be amended except by a written agreement executed by both Parties. This Agreement shall be binding upon the Parties and their respective heirs, successors and assigns. Notwithstanding the foregoing, neither Party shall have the right to assign this Agreement, in whole or in part, whether by operation of law or otherwise, without the prior written consent of the other Party. All notices hereunder shall be in writing, shall be delivered to the addresses and contact persons identified in Part A of this Agreement and shall be effective: (i) when personally delivered; (ii) when delivered by private courier (with confirmation of delivery); (iii) when transmitted via fax (with receipt confirmed); or (iv) three business days following deposit in the U.S. mail, postage prepaid, registered or certified, return receipt requested. The terms of this Section shall survive the expiration or termination of this Agreement.

Memorandum of Understanding
for
Dual Enrollment/High School Enrichment Program
between
REACH Cyber Charter School
and
Bucks County Community College

I. **PARTIES.** This Memorandum of Understanding (MOU) is made and entered into by and between the REACH Cyber Charter School (REACH), whose address is 750 East Park Drive, Suite 204, Harrisburg, PA 17111 and Bucks County Community College (Bucks), whose address is 275 Swamp Road, Newtown, PA 18940. REACH and Bucks may be collectively hereinafter referred to as "the Signatory Parties" or individually as a "Signatory Party." This MOU shall be effective as per Section IV of this Agreement, *infra*.

BACKGROUND. The high school graduation requirements outlined in Chapter 4 of the Pennsylvania Public School Code of 1949 afford high school students the opportunity to earn dual credits (high school and college simultaneously) for completing college as well as independent study courses.

Senate Bill 237 amended the Public School Code of 1949, allowing students of brick-and-mortar charter schools, regional charter schools, and cyber charter schools to enroll in concurrent college courses through an institution of higher education.

Thanks to this legislation, REACH is now positioned to pursue dual enrollment partnerships with institutions of higher education. Bucks is a well-established provider of dual enrollment courses and continues to transition to a more personalized and customized competency-based learning environment where students have a variety of pathways to pursue their interests with a course of study that both meets graduation requirements and provides them with a voice and a choice.

Given the above, REACH wishes to enter into this MOU with Bucks to provide REACH Cyber Charter School students with an alternative educational experience that affords students with the opportunity to earn dual credits in a college setting.

II. **PURPOSE, INTENT, & GENERAL PROVISIONS**. The purpose of this MOU is to confirm the Signatory Parties' intent that REACH will provide tuition at the mutually agreed-upon rate for each course scheduled in connection to this Agreement for a maximum of 100 students to Bucks and purchase the textbooks related to those classes for each student participating. REACH retains the sole discretion to determine this maximum number of students and their accompanying tuition/textbooks.

The mutually agreed upon reduced tuition rate of $125.00 per credit is in effect only for REACH students residing within the boundaries of Bucks County and participating in the

Dual Enrollment Program for 2022-2023. REACH students located within counties not served by a Pennsylvania community college who opt to participate in this dual enrollment program qualify for a non-sponsored tuition rate of $195.00 per credit. Students located within counties that are served by a Pennsylvania community college but prefer to pursue dual enrollment at Bucks under the terms of this agreement will qualify for a reduced tuition rate of $315.00 per credit, to the extent that EITC funds awarded to Bucks remain available for this purpose.

Bucks will waive all technology fees and provide access to placement testing, at no additional cost, for all students who intend to participate as dually enrolled students under the terms of this Agreement. REACH students wishing to participate in the program must take placement testing in Reading, Writing, and Math to determine college readiness or take advantage of alternative placement options offered by Bucks (i.e., "holistic" placement whereby high school juniors with at least a 3.25 GPA or high school seniors with at least a 3.0 GPA are automatically deemed to be at college-level in Reading, Writing, and Math).

Specific fees related to courses with a laboratory component or special supplies will be billed separately to the student and/or parent or guardian.

III. **TERM OF AGREEEMENT**. This MOU becomes effective upon its execution by both the CEO, REACH Cyber Charter School, and the President, Bucks County Community College.

This MOU shall be binding upon the signatures of the Signatory Parties and their respective successors.

The term of this agreement shall run from September 2022 through August 2023.

This agreement shall be reviewed by both parties in June 2023 to assess process and overall success.

IV. **PROVISION OF FUNDS**. Funding for this program will be provided by REACH students. Bucks will provide a reduced tuition rate (see Section III, *supra*.).

REACH agrees that it will collect payment for any tuition/fees for their dually enrolled students and provide funds via check to Bucks in accordance with the billing and accounting procedures of the Bucks Student Accounts Office. Bucks will invoice REACH at the commencement of each semester, and REACH will pay that tuition within 60 days of invoice receipt.

V. **STUDENT ELIGIBILITY**. Students participating in the Bucks/REACH Dual Enrollment Program must enroll in at least six (6) credits per semester and must take two (2) courses per semester, for a total of at least twelve (12) credits per academic year, per student.

VI. **STUDENT CRITERIA**. Students must complete the High School Enrollment Application online prior to enrolling in Bucks courses. Students are also required to satisfy placement testing requirements or submit transcripts for a holistic placement

testing waiver prior to enrolling in a course. In addition, students must satisfy either all criteria listed under Section A or Section B, *infra.*

A. Criteria:
   1. The student is in 9th grade or higher.
   2. The student demonstrates readiness for college-level coursework in the intended subject area of study, as determined through the placement testing/holistic placement testing waiver process. When approved by REACH, students may enroll in courses not deemed college-level, e.g., ACCT103.
   3. The student is making satisfactory progress toward fulfillment of high school graduation requirements, either "on time" or ahead of schedule.

B. Continued Eligibility: To remain in this program of study, the student must:
   1. regularly attend;
   2. be in good academic standing;
   3. be free of misconduct violations; and
   4. maintain a minimum grade of "C" in coursework.

VII. **COURSES OFFERED**. The following applies to all courses covered by this agreement.

A. Courses are not remedial, unless approved by REACH, subject to Section VI, paragraph A.(2), *supra.*
B. The courses are regular college courses available to all members of the REACH student body.

VIII. **DROP/ADD OF COURSES OFFERED**. Students must abide by all Bucks policies and timelines. Students who drop or withdraw from a course are responsible to notify REACH prior to initiating the formal process and must drop or add the course through the appropriate college protocol and technological systems. For students who drop courses, REACH students will be subject to the Bucks refund policy of record regarding tuition and fees due.

IX. **STUDENT CREDIT**. To successfully complete a course listed in this agreement, students are subject to the conditions of both the course syllabus and Bucks's grading policy.

REACH will award high school credit for all courses successfully completed under this agreement, pursuant to Chapter 4 of the Pennsylvania Public School Code of 1949, as amended, and in accordance with local board policies.

Bucks will award postsecondary credits to students who successfully complete courses identified within this agreement.

Bucks will transcript credit(s) in a manner identical to non-dual enrolled students who take a course(s) at this institution.

X. **COURSES**. Bucks's course catalog is open to all dually enrolled students who meet respective course requirements.

The maximum number of dual enrollment students enrolled under the terms of this Agreement is 100, but this maximum may be increased at the discretion of REACH.

The parties will work together to minimize the number of REACH students enrolled in the same Bucks course offering.

Total approved cost for the course:

Tuition: In-County - $125/credit; Non-Sponsored County - $195/credit; Out-of-County - $315/credit, to the extent that awarded EITC funds remain available to provide this discount.
Books: As required by faculty and noted in course syllabuses.
Fees: Technology Fee is waived. Instructional lab and special supplies fees may apply, dependent upon course selection.
Transportation: Students will be responsible for transportation to and from their campus and the Newtown, Epstein, or Upper Bucks campus of Bucks, where applicable.

XI. **PROGRAM ADMINISTRATION**. REACH and Bucks will designate a single point of contact liaison to support the effective administration of the program.

REACH Liaison – Director, Career Readiness
Bucks Liaison – Assistant Director, Dual Enrollment

XII. **OUTREACH AND COMMUNICATION**. Both REACH and Bucks agree to provide a mechanism for outreach and communication to the REACH community about the educational and economic benefits of higher education, as well as the requirements for participation and enrollment procedures to staff, parents, and students.

This outreach and communication will consist of a student orientation, student and parent/guardian information session and promotional materials (including a letter of invitation), and a student agreement.

XIII. **AMENDMENT/WAIVER**. This MOU cannot be amended, modified, or revised unless done in writing and signed by both Signatory Parties. No provision may be waived except in writing and signed by both Signatory Parties.

The failure by a Signatory Party to enforce any provision of this MOU or to require performance by the other Signatory Party will not be construed to be a waiver or in any way affect the right of either Signatory Party to enforce such provision thereafter.

Either Signatory Party may terminate this MOU upon ninety (90) days' prior written notice to the other Signatory Party. If any provision of the MOU is found to be unenforceable, that provision will be severed and the remainder of this MOU will continue in full force and effect.

REACH and Bucks agree not to unlawfully discriminate on the basis of race, nationality, ethnicity, religion, gender, age, or disability in any undertaking pursuant to this agreement.

PART II

BELOW IS A MORE DETAILED DESCRIPTION OF THE PROGRAMS AND SERVICES OFFERED BY WQED FILM ACADEMY

WQED FILM ACADEMY LITE: MIDDLE SCHOOL

WQED Film Academy Lite is a youth education program in digital media arts and filmmaking. Film Academy Lite is open to 7th graders through 8th graders and provides 6 hours of in-person instruction at WQED Studios in Pittsburgh, PA. WQED Film Academy Lite is a three week film education program where students will learn filmmaking from start to finish- from pre-production to videography to post-production and editing. There is no remote option for this Program. Contact WFA for dates and times of offerings.

HIGH SCHOOL: LEARNING LEVEL

The Learning Level of WFA introduces filmmaking concepts through formalized curriculum paired with project opportunities that demonstrate these skills at an increasingly advanced level throughout the semester, culminating in a final project that students work on collaboratively, from concept through completion. The semester also concludes with basic tests in lighting, audio, and camera.

Students who pass these tests are then authorized to apply for the next level of WFA (Intern Level), and are granted access to WFA's equipment for check-out outside of regular WFA program hours while registered for this Level. Instruction at this level is offered both in person and virtual.

DocuSign Envelope ID: 91B63660-53AE-4379-8293-300A24C9D6FE

HIGH SCHOOL: INTERN LEVEL

IN PERSON

Open to students who have successfully completed the Learning Level. Students apply for this level individually (not through a sponsoring school) and must interview and be accepted by WFA in order to join WFA as an intern. At this level, students support productions and content being created for clients by our Teen Film Crew or other students' content created for the WFA web series, The Reel Teens. They continue to enrich their education in the various aspects of filmmaking and participate in peer learning from advanced students. Students learn beyond individual skill sets to discover pathways for future careers in the entertainment industry, how to get started as an effective production assistant (PA) on set, and how the hierarchy of the industry functions, including both union and non-union pathways. They also have the opportunity to help students in the WFA program on their productions as either crew or on-camera talent.

In order to move to the next level, the Teen Film Crew Level, students will need to complete 100 hours at this Intern Level, participate in a Peer Mentorship Training (provided by The Mentoring Partnership with the Teen Film Crew mentors), and successfully complete advanced testing in audio, camera, lighting, and editing. They can then choose to interview for a paid position with WFA.

VIRTUAL INTERNSHIP PROGRAM

The Virtual Internship program will allow students who are interested in continuing their education in the film and digital media industry to work with a mentor who will guide them step-by-step through the process of creating their own piece of digital media. This virtual programming will mirror our in-person internship program, allowing students opportunities to brainstorm, pitch their idea, write, produce, and edit their project within the 100 hours of allotted program time. A one-year subscription to Adobe Creative Cloud software will be provided by WFA for all Virtual Intern Students. Schools MAY provide this program to students and students may also apply for this program individually.

HIGH SCHOOL: TEEN FILM CREW LEVEL

Teen Film Crew (TFC) is a paid position with WQED Film Academy and is open only to students who have completed both the Learning and Intern levels. Students must apply and be accepted for this Level. Students in the TFC program can pitch ideas for original content, and develop those ideas with our teaching artists. Real-world pitching scenarios are created for students, so that they can experience having their project "greenlit." Final projects also have the possibility of being submitted to film festivals by WFA on the students' behalf. Students are given the option of working on client projects where they learn professional skills such as email, phone/zoom, and in person communications, as well as budgeting, deliverables, and production scheduling. TFC level students provide mentorship to Learning and Intern level students, therefore strengthening their own skills and enriching their leadership abilities.

Students may stay with WFA at the TFC level up to and including the summer after graduation from high school.
