Date:

Rater:

Rubric Scores

Listening	Reading	Speaking	Writing

Total Points: *Sum of the points from all four domains above*

Overall rater recommendation

Based on my observations of the student's use of language and my ratings using the language use inventories,

I _____ this student for reclassification from active EL to former EL status.

If reclassification is not recommended, documented evidence clearly demonstrating a continued need for language support must be maintained with this form.
