

Special Education Exceptionality

To add additional exceptionalities to an already approved **special education license**, please answer the following questions. Please provide detailed information to the questions. The information you provide will give the Board a better understanding of the program and the services you plan to offer the students.

What changes do you anticipate making to your program to serve the new exceptionality in the area(s) of:

| • | Curriculum: |
|---|----------------------------------|
| • | Behavioral Interventions: |
| • | Integration of Related Services: |
| • | Staffing: |
| • | Staff/Student Ratio: |
