**BOARD MEMOS – INVITATION TO PROVIDE FEEDBACK**

This memo revises and replaces Board Policy Memorandum #70, issued on November 13, 2008.

The Board of Private Licensed Schools issues policy guidance to schools in the form of numbered policy memoranda.

These Board policy memos will now be posted on the web site at <https://education.pa.gov/PLS> 14 calendar days, absent exigent and emergency circumstances, prior to formal release in order to allow time for the schools to provide feedback before the final version is released to all schools.

Schools will be notified by e-mail that a draft memorandum has been posted.
