IN RE: CALIFORNIA AREA SCHOOL DISTRICT  
SECTION 1124(b) NOTIFICATION

To Whom It May Concern:

Kindly consider this correspondence to be the notification required by Section 1124 of the Pennsylvania Public School Code, specifically Section 1124(b). As set forth in Section 1124(b), please be advised that the California Area School District has altered and curtailed its educational program.

The School District has altered and curtailed its educational program as set forth in Section 1124(a)(2) of the Pennsylvania Public School Code, as follows:

- The Physical Education/Health, Library, Special Education, and Elementary Programs shall be curtailed and altered by eliminating some courses, combining others, and reducing the number of classes.

This curtailment and alteration will be effective with the start of the 2020-21 school term.

As a result, one (1) professional employee (physical education instructor) was suspended (furloughed) for the 2020-21 school term.

The suspension also occurred as a result of economic reasons, substantial decrease in pupil enrollment, and a substantial decline in class and course enrollments within various programs.

Should you need any further information, please do not hesitate to contact my office.

Very truly yours,

  
Laura B. Jacob, D. Ed.  
Superintendent
