To Whom It May Concern:

This communication serves as notification of the closure of two Central Intermediate Unit 10 operated Emotional Support Classrooms (Bridge Classrooms) due to low enrollment.

On November 19, 2020, the CIU 10 Board of Directors moved to sever the Memorandum of Understanding between Central Intermediate Unit 10 and Moshannon Valley School District for the Clearfield County Bridge Classroom due to low enrollment.

On May 27, 2021, the CIU 10 Board of Directors moved to sever the Memorandum of Understanding between Central Intermediate Unit 10 and Penns Valley School District to close the Bridge Classroom at Penns Valley Area Elementary and Intermediate School due to low enrollment.

The closure of the Moshannon Valley Bridge Classroom resulted in the reduction of one professional staff. Initially there would have been a reduction of one professional staff due to the Bridge Classroom closure at Penns Valley School District; however, that person was reinstated to a full time position. There was a reduction of two support staff at each location at the conclusion of the 2020/2021 school year.

CIU 10 is still operating one Bridge Classroom at the Penns Valley School District.
