Ms. Washington,

Please accept this letter as notification to the Department regarding Board action resulting in non-renewal of temporary professional employees. The non-renewals are due to the alteration of an educational program on recommendation of the superintendent and on concurrence by the board of school directors, as a result of substantial decline in class or course enrollments to conform with standards of the organization and educational activities required by law or recommended by the Department of Education.

Please feel free to contact me should you have any further questions.

Sincerely,

Lee Ann Wentzel
