IN RE: GROVE CITY AREA SCHOOL DISTRICT
SECTION 1124(b) NOTIFICATION

To Whom it May Concern:

Kindly consider this correspondence to be the notification required by Section 1124 of the Pennsylvania Public School Code, specifically Section 1124(b). As set forth in Section 1124(b), please be advised that the Grove City Area School District has altered and curtailed its educational program.

The School District has altered and curtailed its educational program as set forth in Section 1124(a)(2) of the Pennsylvania Public School Code, as follows:

- The Secondary Spanish Program shall be curtailed and altered by eliminating some courses, combining others, and reducing the number of classes.

This curtailment and alteration will be effective with the start of the 2022-23 school term.

As a result, one (1) professional employee (Spanish instructor) was suspended (furloughed) for the 2022-23 school term.

The alteration and curtailment and suspension occurred as a result of substantial decrease in class and course enrollments within the Secondary Spanish program.

Should you need any further information, please do not hesitate to contact my office.

Very truly yours,

Joshua J. Weaver, Ed.D.
Assistant Superintendent
