I affirm that my video submission is an original work, created solely by me and, if applicable, any Other Participants identified on the attached Consent and Release for Other Participants, for the purposes of submission to the video competition. In creating my submission, I did not rely on, use, or copy any other creative work.

I further affirm that my submission is not the product of Generative Artificial Intelligence (“AI”). If I used AI for any part of the creation, brainstorming, or idea formation process, I have disclosed its use below. I understand that the Commonwealth of Pennsylvania (“the Commonwealth”), in its sole discretion, may disqualify my entry if it is determined that AI was used in a way that is not disclosed, or determines that my use of AI resulted in a submission that is not my original creative work.

Please choose only one:

2. The Commonwealth may use the name, image and likeness of the Student, including any photograph or video likeness, as well as the Student’s name, grade, and school district, in any promotional materials or publications related to the video competition. This includes, but is not limited to, any website, social media, advertising, press releases, audio, video, or any public relations material.
3. Upon submission, all submitted materials become the property of the Commonwealth. I irrevocably assign to the Commonwealth all rights and interests to the submission, including, but not limited to, the right to use, distribute, reproduce, prepare derivative works, perform, or display the submission. 4. To the best of my knowledge, the Student's above Statement on Originality and AI Use is true and correct. The Commonwealth is entitled to rely on that statement in making any future use of the submission.

5. I have reviewed the video submission and the above the Statement on Personally Identifiable Information. I confirm that no personally identifiable information ("PII") has been included in the video submission and the required consent and release for Other Participants have been obtained and attached.
