

## Qualified Surveyors for Timber Rattlesnakes

The following list includes persons known to the Pennsylvania Fish and Boat Commission (PFBC) to possess skills and have experience in properly searching for and finding timber rattlesnakes (*Crotalus horridus*) and in identifying their critical habitat. This list is not an exhaustive list of qualified surveyors in Pennsylvania as there may be qualified surveyors who have not asked to be placed on the list. Placement on the list is not to be construed as an endorsement of individuals or firms by the PFBC or any of its employees.
