

# Pennsylvania Asthma Partnership

Member Organization

## Allegheny County Health Department

807 Wallace Avenue  
Wilkesburg, PA 15221  
[Asthma - Allegheny County, PA](#)

**Regions Served:**  
Allegheny County

### Overview of Organization:

Our mission is to protect, promote, and preserve the health and well-being of all Allegheny County residents, particularly the most vulnerable. We strive daily to assure quality public health services are accessible to more than 1.2 million county residents.

### Asthma Program & Resources

Allegheny County Asthma Control Program mission is to improve asthma outcomes for children using an evidence-based approach to lower asthma emergency department visits, hospitalization, increase asthma self-management skills, and impact asthma policy.
