CERTIFICATION AND AUTHORIZATION STATEMENTS

I understand that my signature on the Chronic Renal Disease Program (CRDP) application indicates my agreement to the following provisions:

- A. I authorize the Internal Revenue Service, the Social Security Administration, the U.S. Railroad Retirement Board, the Pa. Dept. of Revenue, the Pa. Dept. of Transportation, the Public School Employees' Retirement System, the State Employees' Retirement System, any other federal or state agency and any other financial or other institution or entity with information on my income or resources to release information to the Dept. of Health that will verify my eligibility for the CRDP or for the low income subsidy of the federal Medicare prescription drug benefit. All information released to the Department of Health shall remain confidential in accordance with 72 P.S. §3761-517(b).
- B. I authorize the Department of Health (Department) or its authorized representative to visit my residence with reasonable prior notice to me, for the purpose of determining the validity of information provided on the application or any claims made under CRDP.
- C. I understand that the Department of Health or its authorized representative, within its discretion, may disclose any and all medical information in my CRDP file with the exception of any HIV-related information, to business partners, contractors, grantees and other public health programs for the legitimate business purposes of the CRDP. I agree to authorize such disclosure of information, if a further written authorization is required, by executing an appropriate authorization form.
- D. I hereby assign to the Commonwealth of Pennsylvania, in the event of duplicate or overpayment, any right to benefits to which I may be entitled under any other plan of government assistance or insurance from any third party payor. I hereby designate the Commonwealth of Pennsylvania's CRDP, acting through its contractors and agents, as my agent and authorized representative for the limited purpose of applying for such government assistance or insurance. I understand that I may decline the choice of third party payor that may be made by CRDP on my behalf by indicating my preference of appropriate third party payor to CRDP in writing.
- E. I hereby waive the confidentiality of any health care information found in any Medicare HMO, third party payor's file or any other health care source, except for HIV-related information; I authorize disclosure of this information to the CRDP, its contractors and agents. If the holders of this information require further signed authorizations in order to disclose information about me, I agree that I will cooperate with the Department and promptly execute the appropriate authorizations.
- F. I agree that I will not receive payment, or authorize the receipt of payment on my behalf, from the Department of Health for any amount which has been paid by any other plan of government assistance or insurance or any other third party payor on my behalf.
- G. I understand that if it is determined that CRDP benefits have been paid improperly, I shall be required to repay such benefits. I authorize such collections from myself, my estate, my agents and my personal representatives.
- H. I understand that any person who submits a false or fraudulent claim or application under CRDP, or who aids and abets another in the submission of a false or fraudulent claim or application, or who claims and receives duplicate benefits may be charged with a criminal offense, including an offense under 18 Pa. C.S. § 4904, relating to unsworn falsification to authorities. Any person who is found guilty of such a criminal offense shall be subject to repay CRDP in full for previous services.
- I. I understand that the Department allows an appeal in the event I disagree with any decision made by the CRDP regarding my eligibility or benefits. I may appeal a decision by filing a CRDP appeal form according to its instructions.
- J. I authorize the Department of Health or its designee to act as my representative for determining my eligibility and applying for the low income subsidy of the Medicare prescription drug benefit, enrolling me in the Medicare prescription drug plan that best fits my prescription needs, handling any and all aspects of Part D on my behalf consistent with federal law, and paying the premium of selected Medicare prescription drug plans that are less than or equal to the regional benchmark premiums.
- K. I understand CRDP may refer me to another agency to obtain health care benefits (example: Medicare, Medical Assistance) if appropriate, and that my eligibility for CRDP may be contingent upon my application for and acceptance of other appropriate health care benefits or insurance programs.

NON-CREDITABLE COVERAGE

The CRDP offers a limited list of covered drugs, so the prescription coverage is not the same as Medicare Part D. This means CRDP coverage is “non-creditable,” and it is best to be enrolled in both CRDP and a Medicare Part D plan.

When you become eligible for Medicare, if you do not have any prescription coverage that is considered creditable, you should enroll in a Medicare Part D plan. Otherwise, you may have to pay a higher premium to join. If you go 63 days or longer without prescription drug benefits that are at least as good as the coverage offered through the Medicare benefit, you will have to pay a 1% penalty on the monthly Part D premium for every month you go without coverage.

After you are enrolled in CRDP, the program can help you sign up for a Part D plan when you become eligible for Medicare during the Part D enrollment period.

AUTHORIZED SIGNATURE

The Department of Health will accept the attorney-in-fact or court-appointed guardian as an authorized agent for enrollment. You must provide power of attorney or guardianship documents.
